**Biennial Report** Michigan. State Board of Fish Commissioners, 1895 **Joint Documents of the State of Michigan** Michigan, 1895 Split Abby Misura, 2010-01-15 Erin never thought life could get any harder being in eighth grade She tried to convince her mom she had a split personality but her mom denied it all The meanest of friends are in her life and she thought that would cause her to have another personality Her crush Tommy never really noticed her before not until the real personality did come along just when Erin was beginning to think she may just be an average teenage girl Anne was strong loud and opposite of Erin She wasn't afraid to do or say what was on her mind Erin noticed things happening to her life she didn't understand She blacked out a lot and people told her things she couldn't remember doing Erin actually found herself becoming closer to Tommy and although she didn't understand why she could care less Erin's friends were vanishing before her very eyes as well She could feel the tension around them and learned she wasn't friends with them anymore The only one who stuck around with her was Tyler who was trying to figure out what happened to Erin When the truth was revealed Erin went into shock and hid her face from the world Only Tommy and Anne could bring her back if that was even possible The thing Erin knew was that she was right Erin always had to be right and no matter what she knew her mom had been wrong all along She did have a split personality but her greatest challenge is getting over her shyness her abusive friends and life as she knew it Writing this story took about a year maybe a little longer than that because I took a break from writing it It was fun to write though because it relates to what my life was almost like in eighth grade Of course none of that actually happened to me or anyone else The character Erin is based off of myself though shy quiet to some people having a crush on someone Anne is just a cool girl anyone would love to meet as long as they aren't on her bad side She could beat nearly anyone up although it wouldn't seem like it at first glance Erin is just invisible to others not really seen until Anne showed up When Anne would tell people to call her Anne it was obvious for someone to be confused or freaked out that she was going off another name other than Erin because they thought it was Erin Tommy is just a cute boy in Erin's eyes that has had a crush on her for a while He never noticed her much until well until Anne showed up When he heard about what she did to Heidi and how she back stabbed her and the others he didn't think they were talking about the same person That's how unbelievable it was that Erin and Anne were the same person in a way I liked Tyler the most because she resembles one of my friends she's smart and almost just like the character In the story Tyler and Erin seem closer than everyone else but it isn't really like that for my friend and me This story came into my mind after I learned that a split personality isn't just something you read in a fantasy book but it's a real mental issue in the world I found it interesting and so I decided to write

about a girl who has problems at home but mostly a problem with her harsh friends Anne is just the personality that made her who she finally is and wanted to be This is something written for any modern day person who understands or wants to understand what it s like to be alone in the world and soon find what you need to pick yourself up and move on I know there is many people out there who knows what it s like to be alone and have no friends and I really want this story to get those people to be positive and keep moving forward and never give up Or for anyone who can relate in any way to this story I guess then I hope they really enjoy it A story where a girl faces what she knew all along to be a split personality but was ignored her request of friendship and knowledge A sort of romance of some kind where the two are pushed together by a third person and e
