This second edition contains all the original content which covers all areas of the curriculum including learning environment plan do review adult child interaction and assessment but has been updated to be fully in line with the latest changes to research policy and practice. New topics and features include outdoor play and learning using the HighScope approach with children with special needs and who speak English as an additional language managing the approach with bigger class sizes the implementation of technology with children in HighScope settings a selection of new photographs. Written to support the work of all those in the field of early years education and childcare this is a vital text for students early years and childcare practitioners teachers early years professionals children's centre professionals lecturers advisory teachers head teachers and setting managers. Letter Links Andrea DeBruin-Parecki, Mary Hohmann, 2003 Suitable for all early childhood educators and practitioners Letter Links is all about the alphabetic principle from a child development point of view. It highlights the importance of using symbols in preschool along with printed letters. Letter Links takes children's natural interest in learning to write their own name as an entryway to teaching them letter recognition skills letter sound correspondence and letter word writing by using nametags and letter linked images. The authors also provide eight specific teaching strategies. Letter Links outlines the research behind the learning system and provides detailed examples of 64 initial letter sounds represented by 26 letters. These are the letter combinations you need to introduce. The book's more than 25 fun filled activities that involve the alphabetic principle phonological awareness sense of word and vocabulary. *Supporting Young Learners 4* Nancy Altman Brickman, Holly Barton, Jennifer Burd, 2005
