High School Benediction Speech:

Notable Speeches in Contemporary Presidential Campaigns Robert V. Friedenberg, 2002-03-30 Though many studies of contemporary campaigns focus on brief political advertisements and the growing impact of technology on contemporary campaigns the definitive statements of most candidates are still made in public addresses Friedenberg examines the first public address made by an American presidential candidate on his own behalf The circumstances giving rise to William Henry Harrison s 1840 address and the themes that he developed in that address are strikingly contemporary serving as an appropriate prelude to the examinations of contemporary political speaking that follow Those examinations focus on notable campaign speeches by John F Kennedy Barry Goldwater Richard Nixon Ronald Reagan Bill and Hillary Clinton and George W Bush Each study examines a key event that foreshadowed the speech studied Each study presents a rhetorical biography of the speaker including a discussion of the speechwriting team and preparation techniques utilized by the speaker Each study presents a thorough study of the campaign context in which the speeches were presented Each also presents a close reading and rhetorical analysis of the speech itself and observations on the impact of the speech Cumulatively Friedenberg s studies help to illustrate how even in today s high tech political environment of 30 second ads and candidate Web sites public speeches continue to play a crucial role in political campaigning Of particular interest to scholars and students involved with political communication and political American campaigning

Prayer in Public Schools and the Constitution, 1961-1992: Government-sponsored religious activities in public schools and the Constitution Robert

Sikorski, 1993-01-01 First published in 1993 Routledge is an imprint of Taylor Francis an informa company

Liberty in Troubled Times James Walsh, 2004 Using a question and response format James Walsh Silver Lake Publishing s editorial director introduces the fundamental beliefs of libertarians as well as how they view issues such as gay marriage the war on drugs the right to bear arms and the Patriot Act

Law for Recreation and Sport Managers , 2003

You Decide Edward R. Drachman, Robert Langran, 2008 The second edition of You Decide Controversial Cases in American Politics provides a unique and innovative way to learn more about American government by examining contending points of view on controversial issues Drawing on many years of combined teaching experience Edward Drachman and Robert Langran present fourteen original cases and encourage students to make choices from policy options that might help resolve the case controversies To facilitate the reading of the cases the authors developed a format that provides the necessary background information on each issue a list of options to address the controversy under consideration and the probable future direction of each case controversy Each case also includes discussion questions that focus on highlights of the case classroom activities designed to complement more traditional learning and a list of suggested readings and websites On a range of topical hot button cases from organized school prayer and affirmative action to the electoral college and the tension between Congress and the president over war time powers students have the opportunity to become directly involved in discussing

debating and evaluating controversial issues With this help of this classroom proven text you decide [Making Sense of Religion in America's Public Schools](#) David Gibbs III, Barbara Weller, 2013-04 In 1947 the United States Supreme Court took a sharp left turn in its interpretation of the Establishment Clause of the First Amendment to the United States Constitution as it was applied to public schools in America Since then students teachers school officials parents and local religious leaders have been struggling to understand the parameters of the Establishment Clause as it relates to religious expression in public schools This resource is intended to help individuals understand their rights to exercise their faith in the public school arena It is also designed to help families students teachers school officials and community leaders sort through the current legal maze of religious expression in America s public schools [Religion](#) Noël Merino, 2011-12-02 More than 10 essays present the various sides to the topics of teen rights and religion Freedom of speech and freedom of religion are often in conflict but these essays help teens wade through the debate including whether prayer should be allowed at school whether mandated attendance is against freedom of religion and whether the Supreme Court has gone too far in limiting a teen s right to religious speech **Missionary Seer** ,1922 [Why We Whisper](#) Jim DeMint, David J. Woodard, 2007-12-06 Americans today live in the greatest nation the world has ever known Never before has a country been the producer and beneficiary of so much wealth and freedom But with great success comes even greater responsibility Part of the American legacy is to pass our values to our posterity as well as to future generations in other nations To meet this responsibility the next generation must understand what made America great what is working what is not working and how to improve all the ideas that contributed to past success No factor is more important in this task than our freedom of speech This right is both a means and an end to improving and strengthening the nation Why We Whisper is about free speech in America but not freedom of speech as it is often defined today It is not the freedom to practice destructive behavior or to produce obscene material This book is about freedom of speech as it was intended by the visionaries who designed the Constitution and the Bill of Rights The First Amendment empowers Americans to join the public and political debate with their ideas and values including those traditional ideas and values that have made America great This fundamental freedom is under attack and unless principled Americans fight back our grandchildren and future generations around the world will receive a greatly diminished inheritance United States Senator Jim DeMint and Professor David Woodard compellingly demonstrate that through court rulings bureaucratic pronouncements and well intentioned but ultimately unhelpful laws secular values have allied with government authority to dismantle the ideals of a moral and decent nation A country once confident of its values and optimistic about its future is now pessimistic nervous and confused Traditional American institutions like the Boy Scouts churches businesses college campuses and public schools are routinely targeted for attack and government regulation As a result morally responsible patriotic Americans are **Reconciling Opposites** W. Royce Clark, 2022-02-04 The American justice system was founded on the idea of majority rule but in a democracy this is achievable only if the majority has the

interests of the whole at heart Since the days of America s founding white Christian males created laws from their standpoint as the majority leading them to exercise power in a largely majoritarian way rather than upholding the interests of all citizens The nation has not realized its stated ideals of equality of liberty opportunity and justice for all As a solution W Royce Clark formulates a non majoritarian ethic based not on any majority but on a universal instinct the combination of Albert Schweitzer s will to live and Friedrich Nietzsche s will to power along with democratic principles articulated by John Rawls and James Madison which would represent all citizens
