We do not set out to change the world We start with ourselves and those near us We start with our small community and its environment It is the summer of 1985 and nine cousins are spending their break helping to run their grandparent s campground Their arrival sparks a special feeling among their grandparents and their grandmother s nephew Ethan They believe the number nine is powerful an ennead and that something magical will happen because of its existence With the help of their grandparents the children mature quickly into caring and competent young people as they take on responsibilities at the campground and learn how to care for their environment The children also learn about their totem animals and as they do they meet and create deeper connections with these animal beings As the group grows stronger they transform in mind spirit and body and become their spirit animals This ability makes for an even greater connection to Mother Earth The children their grandparents and Ethan commit to doing whatever they can to protect the earth even if it means fighting against all odds Blending elements of ancient philosophy spirituality and the natural environment *The Summer of the Ennead A Tale of Awakening* is about what might happen in a world where all life is valued where caring for Mother Earth outweighs giving in to greed and selfishness and where working together makes us stronger than working apart Ultimately it is a story of love kindness and hope *Hot Target* Suzanne Brockmann,2005-11-29 Bestselling author Suzanne Brockmann knows exactly what makes hearts race and pulses pound peril and passion No one succeeds more brilliantly at blending these exhilarating elements in breathtaking novels of men and women forced to grapple with the deepest emotions and the highest risks And there s no better proof than *Hot Target* Like most men of action Navy SEAL Chief Cosmo Richter never learned how to take a vacation So when he finds himself facing a month s leave he offers his services to Troubleshooters Incorporated Founded by a former SEAL the private sector security firm is a major player in the ongoing war against terrorism known for carrying out covert missions too volatile for official U S military action But the first case Richter takes on is anything but under the radar High profile maverick movie producer Jane Mercedes Chadwick hasn t quite completed her newest film but she s already courting controversy The World War II epic frankly portrays the homosexuality of a real life hero and the storm of advance media buzz surrounding it has drawn the fury of extremist groups But despite a relentless campaign of angry E mails phone calls and smear tactics Chadwick won t be pressured into abandoning the project Then the harassment turns to death threats While the FBI appears on the scene nervous Hollywood associates call in Troubleshooters and now Chadwick has an army of round the clock bodyguards whether she likes it or not And she definitely

doesn't But her stubbornness doesn't make FBI agent Jules Cassidy's job any easier The fiercely independent filmmaker presents yet another emotional obstacle that Cassidy doesn't need he's already in the midst of a personal tug of war with his ex lover while fighting a growing attraction to Chadwick's brother Determined to succeed and survive on her own terms Chadwick will face off with enemies and allies alike But she doesn't count on the bond she forms with the quiet capable Cosmo Richter Yet even as their feelings bring them closer the noose of deadly terror all around them draws tighter And when all hell erupts desire and desperate choices will collide on a killing ground that may trap them both in the crossfire

Jonathan Behind Blue Eyes Mike Dacy,2012-10-27 Many of us go through our entire lives giving and receiving gifts often unaware we are doing so Jonathans goal was to give the gift of service from his dreams of a military career to the hospitality industry to civil service and finally to serve anyone suffering from the effects of addiction Jonathan passed away on May 4 2010 yet his spirit lives with us today At this moment he might say My gift to you is awareness I want to make you aware of what it is like to have a severe addiction problem If you are suffering from addiction ask yourself Do I want to follow Jonathans path Shouldn't I dedicate myself to changing and becoming the loving and trustworthy person that I know deep inside me I am If you are a family member I present to you how my family tried to assist me The heartache that I caused them was overridden by the spirit of faith hope and love that they shared for me They disagreed and argued over what course of action to take to heal me and they became angry and impatient with me many times But in the end I know they love me To those of you who have never experienced addiction in your family I present the gifts of compassion and non judgment This disease is difficult to overcome and has become a disease of epidemic proportions in our country I ask that you step back and try to understand what these people are going through I once wrote Where there is life there should also be love Nothing could be truer
