History Grade 12 Study Guide:

History Carol-Anne Stephenson,2015 **Resources in Education** ,1997 **The American History Highway: A Guide to Internet Resources on U.S., Canadian, and Latin American History** Dennis A. Trinkle,2020-10-28 This brand new addition to the acclaimed History Highway series is essential for anyone conducting historical research on North Central or South America Complete with a CD with live links to sites it directs users to the best and broadest most current information on U S Canadian and Latin American history available on the Internet The American History Highway provides detailed easy to use information on more than 1 700 websites covers all periods of U S Canadian and Latin American History features new coverage of Hispanic American and Asian American History includes chapters on environmental history immigration history and document collections all site information is current and up to date includes a CD of the entire contents with live links to sites just install the disc go online and link directly to the sites and also provides a practical introduction to web based research for students and history buffs of all ages Research in Education ,1974 **School Life** ,1945 *Social Sciences and Humanities Index* ,1916 **NEA Research Bulletin** ,1923 **The Patchwork of World History in Texas High Schools** Stephen Jackson,2022-11-30 This book traces the historical development of the World History course as it has been taught in high school classrooms in Texas a populous and nationally influential state over the last hundred years Arguing that the course is a result of a patchwork of competing groups and ideas that have intersected over the past century with each new framework patched over but never completely erased or replaced the author crucially examines themes of imperialism Eurocentrism and nationalism in both textbooks and the curriculum more broadly The first part of the book presents an overview of the World History course supported by numerical analysis of textbook content and public documents while the second focuses on the depiction of non Western peoples and persistent narratives of Eurocentrism and nationalism It ultimately offers that a more global accurate and balanced curriculum is possible despite the tension between the ideas of professional world historians who often de center the nation state in their quest for a truly global approach to the subject and the historical core rationale of state sponsored education in the United States to produce loyal citizens Offering a new conceptual understanding of how colonial themes in World History curriculum have been dealt with in the past and are now engaged with in contemporary times it provides essential context for scholars and educators with interests in the history of education curriculum studies and the teaching of World History in the United States
