Turn, Turn, Turn Steve Turner, 2025-04-08 Did you know 36% of Bob Dylan s songs published between 1961 and 1968 had biblical references including his 1964 hit The Times They Are A Changin The book of Ecclesiastes has been a great inspiration on popular music including the song Turn Turn Turn by The Birds the Pink Floyd album The Dark Side of the Moon and Desperado the 1973 hit by The Eagles among others Paul Simon once advised a young prospective lyricist to raid the Bible for memorable phrases Just steal them he said That s what they re there for There s no question that Scripture has influenced music since the first ever song was penned In Turn Turn Turn author and music connoisseur Steve Turner takes an in depth look at the lyrics and cultural context of 100 of the greatest songs from the 1930s to today to reveal an often overlooked or ignored strand of influence in popular music the Bible Indeed some of the greats including Bob Dylan Leonard Cohen Bono Johnny Cash Sting and others have repeatedly returned to the Bible for such sustenance as well as musical inspiration and a framework with which they can better understand themselves I hope the book prompts provokes and intrigues as it reveals this often hidden history writes Steve Turner You ll never listen to your favorite song or popular

tune the same way again after discovering how the Bible has influenced music Paul Simon Robert Hilburn,2019-05-28
Acclaimed music writer Robert Hilburn's epic and definitive Rolling Stone biography of music icon Paul Simon written with Simon's full participation but without his editorial control that reminds us how titanic this musician is The Washington Post
For more than fifty years Paul Simon has spoken to us in songs about alienation doubt resilience and empathy in ways that have established him as one of the most beloved artists in American pop music history Songs like The Sound of Silence Bridge Over Troubled Water Still Crazy After All These Years and Graceland have moved beyond the sales charts and into our cultural consciousness But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers Finally however he has opened up for Robert Hilburn for more than one hundred hours of interviews in this brilliant and entertaining portrait of Simon that will likely be the definitive biography Publishers Weekly starred review Over the course of three years Hilburn conducted in depth interviews with scores of Paul Simon's friends family colleagues and others including ex wives Carrie Fisher and Peggy Harper who spoke for the first time and even penetrated the inner circle of Simon's long reclusive muse Kathy Chitty The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level In the process Hilburn documents Simon's search for artistry and his constant struggle to protect that artistry against distractions fame marriage divorce drugs record company interference rejection and insecurity that have derailed so many great pop figures As engaging as a lively American tune People Paul Simon is a straight shooting tour de force that does thorough justice to this American prophet and pop star USA TODAY four out of four stars Read it if you like Simon read it if you want to discover how talent unfolds itself Stephen King **The Last Seat in the House** John Kane,2020-01-27 Known as the Father of Festival Sound Bill Hanley b 1937 made his indelible mark as a sound engineer at the 1969 Woodstock Music and Arts Fair Hanley is credited with creating the sound of Woodstock which literally made the massive festival possible Stories of his on the fly solutions resonate as legend among festivalgoers music lovers and sound engineers Since the 1950s his passion for audio has changed the way audiences listen to and technicians approach quality live concert sound John Kane examines Hanley's echoing impact on the entire field of sound engineering that crucial but often overlooked carrier wave of contemporary music Hanley's innovations founded the sound reinforcement industry and launched a new area of technology rich with clarity and intelligibility By the early seventies the post Woodstock festival mass gathering movement collapsed The music industry shifted and new sound companies surfaced After huge financial losses and facing stiff competition Hanley lost his hold on a business he helped create By studying both his history during the festivals and his independent business ventures Kane seeks to present an honest portrayal of Hanley and his acumen and contributions Since 2011 Kane conducted extensive research including over one hundred interviews with music legends from the production and performance side of the industry These carefully selected respondents witnessed Hanley's expertise at various events and venues like Lyndon B Johnson's second inauguration the Newport Folk Jazz Festivals the Beatles final tour
