The Secret Art of Pressure Point Fighting Vince Morris, 2008-05-28

From a ninth Dan Master a guide to disabling anyone using minimal force with 300 step by step photos showing each vital point and strike Ancient martial arts legends tell of masters who possess a mysterious ability to defeat an opponent and in some cases even cause death with one perfectly placed blow The Secret Art of Pressure Point Fighting transforms the myth into a modern anatomically based self defense technique that allows smaller defenders to defeat larger attackers by striking at the vulnerable points on their bodies Written by one of the world s leading authorities and clearly illustrated with photos of each pressure point this book shows how knowledge of the body s vulnerable points can enhance both competitive fighting and personal self defense skills The Secret Art of Pressure Point Fighting doesn t teach theoretical strikes it presents the actual moves used throughout the world by military special forces and law enforcement agencies to disable opponents as quickly as possible The moves in this book are straightforward and easy to learn They are designed to empower anyone regardless of size or physical strength with the ability to stop an attacker using a minimal amount of physical strength

Yushikan C. Michial Jones,2011-08 This book draws extensively upon the author s personal experiences training research and discussions with some of the world s most prominent masters This work contains the entire text Entering Through the Gateway of Gojuryu along with 53 additional pages that are directly aimed at the students of the Yushikan dojo to assist them in their journey along the path of Gojuryu however it may be used as a guide by other s interested in Okinawan Gojuryu Karate do Forewords by Phillip Koeppel R Choji Taiani Col Roy Hobbs Dennis May and Len Pellman Black Belt,2001-07 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known marital arts figure in the world WHFSC Grandmaster's Council: a compendium of the world's leading Grandmasters Bram Frank,2013-03-12 This a compendium of the world s greatest council of Grandmasters These Grandmasters both past and present represent an amazing history of the martial arts It contains their bios told as they want it heard and seen along with pictures past and present of these Grandmasters The WHFSC World Head of Family Sokeship Council brings together Grandmasters and Sokes from every style of martial arts to a yearly meeting with an awards dinner Hall of Fame and seminars sessions given by the Grandmasters themselves Included in the book are some of the upcoming masters in the martial arts Taekwondo Studies: Advanced Theory and Practice Michael DeMarco, M.A., et al.,2015-10-11 Taekwondo is unlike any other martial art and it deserves some special attention because of its importance as a sport with a unique history and influence This anthology as part of our projects to provide stellar articles from the Journal of Asian Martial Arts provides high quality materials about taekwondo you will not find elsewhere Topics include fascets of taekwondo history practice competition health education character techniques and sport athletics You ll find the notes bibliographies illustrations and index are also valuable We have been very fortunate to include

the writings of Dr Willy Pieter a pioneer in the scientific study of taekwondo Other articles in this book provide details of taekwondo history such as the detailed work by Dakin Burdick The earlier version as published in the journal caused quite a stir among Korean martial art aficionados particularly in the clear exposition that taekwondo's roots are found in Japanese Okinawan traditions Some chapters focus on specific techniques especially the pieces by Udo Moenig Louis Bercades and Willy Pieter The interview by Jos Suporta with Juan Moreno is very insightful as it includes a discussion of the differences of taekwondo practices for the martial artist and sport athlete In her chapter Marzena Czarneca uncovers the social relationships that often develop between students and teachers The emotional and psychological bonds formed during classes are often difficult to notice and define but she does so with a unique research methodology Van Reenam's chapter gives a refreshing portrait of childhood development through taekwondo practice His conclusions will benefit those who teach as well as the youngsters and parents involved in taekwondo Authoritative works dealing with taekwondo are published occasionally This book is a milestone in taekwondo literature Hopefully you will enjoy reading each page of this important anthology Besides being a convenient collection of special readings on taekwondo we also hope the chapters will inspire future research and writing in this field
