Muhammad His Character And Conduct:

Muhammad: His Character and Conduct Adil Salahi, 2014-08-18 Muslims all over the world see Muhammad as God's last messenger to mankind. Through his actions he showed the way to live a life that provides for all the needs of body, mind and soul and elevates man's aspirations towards a sublime ideal in a very simple, direct and truthful manner. He built a state that was dedicated to truth and justice and to the liberation of man throughout the world. He wrote to emperors, kings and rulers, calling on them to believe in God and to follow His message; yet at the same time he lived a life of poverty, leaving aside the riches that were offered to him. At a time when the Prophet is much maligned by writers, cartoonists and various other detractors, this book aims to show Muhammad's true character in detail, both in its most everyday and most extraordinary moments. Adil Salahi's writings include the acclaimed *Muhammad: Man and Prophet* and *Pioneers of Islamic Scholarship* and the English translation of the eighteen-volume *In the Shade of the Qur'an*. His main career has been in radio and print journalism, and for over thirty years he was editor of *Islam in Perspective*, a twice-weekly full-page column in the *Arab News*, a Saudi daily newspaper.

The Wiley Blackwell Concise Companion to The Hadith Daniel W. Brown, 2020-03-09 The most comprehensive and up-to-date English language guide on hadith scholarship. The source of much of our knowledge of the first two centuries of Islamic history, the hadith literature is made up of thousands of traditions collected during the formative years of Islam. Alongside the Qur'an, the hadith forms a second major body of Islamic scripture, and much of Islamic belief and practice rests on the hadith, including Islamic law, Islamic theology, Qur'anic interpretation, political thought and personal behavior. Yet despite its importance to Muslims worldwide and its indispensable role as a source for early Islamic history, the hadith remains unexplored territory for many non-specialist readers. *The Wiley Blackwell Companion to the Hadith* is a concise yet comprehensive overview of both Islamic and Western traditions of hadith study, offering up-to-date scholarship and providing readers with an essential guide to this distinctive aspect of Islam. Written by a multidisciplinary team of distinguished scholars, the Companion discusses questions of authenticity, epistemology and authority in the hadith and explores the relationship of the hadith literature to other ways of transmitting knowledge and establishing authority. Covers the origins of hadith, the application of hadith within the Islamic intellectual tradition and contemporary revaluations of hadith literature. Addresses developments in modern scholarship about the origins of Islam and Islamic law, which are rooted in a revaluation of hadith. Presents new and groundbreaking research from international scholars from divergent perspectives to present an accurate and lively overview of the field. Explores the emergence of skepticism about hadith among western scholars. Surveys the evolution of a wide range of approaches to hadith among modern Muslims. Filling a significant gap in current literature in the field, *The Wiley Blackwell Companion to the Hadith* is a valuable resource for students, scholars and researchers in Islamic studies, Islamic law, history and theology.
