

Fairy Tale News Report: Reader's Theatre

Anchor: Good afternoon and welcome to A.M. 615, all news, all the time. We begin our programming this afternoon with some breaking news from The Land of Far Far Away. It seems Mr. Humpty Dumpty has had a terrible fall. We send it over to our man in the field, Beanostrick Jack.

Reporter: Thank you Sandy. I'm here by the well near the castle where at 10:15 this morning, Mr. Dumpty endured this terrible fall. According to sources, Mr. Dumpty was out for his early morning walking when he was overcome by a terrible sneeze that sent him toppling forward. We are joined now by one of the King's horses who was first to arrive on the scene. Good Afternoon.

Subject: Good afternoon Jack.

Reporter: Can you please tell us the state of Humpty Dumpty at this time?

Humpty Dumpty: I'm horrible - obviously!

Subject: Well, all the King's Horses and his men have been working tirelessly to put this shell of a man back together, but it has turned out to be difficult. We fear we may not be able to restore him to his former state.

Humpty Dumpty: I know I should have stayed home today!

King's Man: Humpty! Stop moving! I'm trying to keep your shell from cracking more!

Reporter: Any advice for our listeners?

Subject: Take your allergy medication. We fear that with allergy season starting, there could be many more dangerous falls. Be cautious, don't let that sneeze be your last.

Reporter: And there you have it. From the horses' mouths. Back to you Sandy.

Insight Out Vann Joines, Ph.D., 2022-11-28 Why do individuals and couples have such a difficult time understanding one another and getting along Insight Out provides both the answer and the solution

- 1 We have different Personality Adaptations
- 2 We live in different worlds
- 3 We think there is only one reality and
- 4 We often hear other s requests as criticism of ourselves

By understanding how we adapt in childhood to survive traumatic experiences and meet the expectations of those around us we can discover how to change those adaptations now in order to create the life and relationships we most desire Insight Out allows readers to discover their personality type and those of their family members and significant others and its impact on their relationships We are born helpless and powerless into a vast mysterious and often threatening world Struggling to survive we grope for ways to adapt to our surroundings But with little knowledge and

less power to manage our environment we are likely to come up with primitive imperfect responses to life's stresses. Our childhood strategies disguised as adult behavior trail us throughout our lives snowballing into an amalgam of unhappy relationships, short-circuited careers and unfulfilled dreams. These tactics don't work very well in adult life but they are often all we know. Unless we learn more effective strategies we're headed for trouble. *Insight Out* is about developing both an awareness of our maladaptive strategies and the emotional intelligence to change them. *Insight Out* offers a step-by-step program for changing our ineffective operating strategies into ones that allow us to become who we were meant to be. *Insight Out* shows readers that they already have everything they need inside. Now finally with a book that merges clear theory with effective tools, readers will be able to cultivate their strengths in ways that change their lives on the outside. There are six core personality adaptations: three that were developed for survival and three that were developed to perform in a way that met our caretakers' expectations. Each personality adaptation has its own unique area: feeling, thinking or behavior for making contact with the world; an area that produces the most growth and change; and an area where individuals have the greatest defenses. Knowing this information allows us to relate to others in a way that quickly establishes rapport, produces mutual problem solving and avoids getting trapped in the other person's defenses. There is also a section on how to use a questionnaire that Dr. Joines has developed to access the adaptations, use the resulting profiles to determine what a couple's relationship will look like and use that information to make the positive changes they desire. *Insight Out* looks in depth at how and why the adaptations develop, how they relate to other people and to problem solving and the positive and negative behaviors of each adaptation. The book is packed with engaging examples and vignettes as well as self-help exercises to assist readers in making desired changes. It makes explicit how the way we have adapted affects how we experience the world and perform in it. The insights available in this book enable us to know ourselves fully, to become the best that we can be and to transform our relationships. Few books give readers so much information to understand themselves and those they love. This book is a relationship treasure. Ellyn Bader, Ph.D., Co-Director of the Couples Institute.
