UNITED STATES

WITH A FOREWORD BY  
REP. JIM COOPER

*United States Congressman, House Budget Committee*

THE OFFICIAL ANNUAL  
WHITE HOUSE REPORT

# Financial Report Of The United States Government

**RM Cervero**

## **Financial Report Of The United States Government:**

Financial Report of the United States Government ,2001      *Monthly Catalog of United States Government Publications*  
United States. Superintendent of Documents,1994      *Understanding the Primary Components of the Annual Financial Report of the United States Government* United States. Government Accountability Office,2005      *Understanding the Primary Components of the Annual Financial Report of the United States Government* United States. Government Accountability Office,2009 GAO prepared this guide to the CFR to help those who seek to gain a baseline understanding of the significant information provided in the primary components that make up the CFR especially the financial statements This guide explains the purpose of each CFR component and provides illustrative financial information using actual fiscal year 2008 and 2007 data to focus readers on the kinds of significant information found in the various parts of the CFR Because the illustrative financial information contained in this guide minimizes detail in order to highlight significant line items it does not show or explain all of the items included in the federal government s actual CFR This guide is not intended to help people who are interested in understanding the components of the financial statements of individual federal agencies as their form or content may vary from that of the CFR Because this guide uses illustrative examples from the fiscal year 2008 CFR significant financial transactions related to recent government actions to address the economic crisis that occurred in fiscal year 2009 such as the American Recovery and Reinvestment Act are not included in this guide

Quarterly Financial Report United States Manufacturing Corporations United States. Federal Trade Commission,1959

**Quarterly Financial Report United States Manufacturing Corporations** ,1958      *Financial Report of the United States* Thomas Nelson,2006-08-13 Think of the federal government as a gigantic insurance company with a side line business in national defense and homeland security which only does its accounting on a cash basis only counting premiums and payouts as they go in and out the door An insurance company with cash accounting is not an insurance company at all It is an accident waiting to happen Peter R Fisher former Bush Administration Undersecretary of the Treasury Our objective in preparing the fiscal year 2005 Financial Report of the U S Government is to give Congress and the American people a timely and useful report on the cost of the Federal Government s operations John W Snow former Bush Administration Secretary of the Treasury Scoring the budget on an accrual basis the private sector norm and I believe a sensible direction for federal budget accounting would better underscore the tradeoffs we face Under accrual accounting benefits would be counted as they are earned by workers rather than when they are paid out by the government Alan Greenspan former Chairman of the Federal Reserve Board The significance of these accrual based reports is that they show the implications of current budgetary decisions over a longer time horizon This information is therefore an important element of the debate about the real effects of governmental commitments Paul H O Neill former Bush Administration Secretary of the Treasury A practical management tool for policy makers and a source of useful information for the public about the assets liabilities and

operations of the government Lawrence H Summers former Clinton Administration Secretary of the Treasury We believe that the publication of this financial report is an important step in providing the American public with useful information about their government s assets liabilities and operations Robert E Rubin former Clinton Administration Secretary of the Treasury In December 2005 the White House published its Financial Report of the United States Government only 2000 copies were printed despite the purpose of the report being to explain the country s financial wellbeing to Congress and the American people Now for the first time that report is widely published so the American people can see what s really going on with the nation s finances

**Monthly Catalogue, United States Public Documents** ,1995      **Financial Audit** James F. Hinchman,1999-04 For the first time in the nation s history the federal government has prepared consolidated financial statements that have been subjected to an independent audit In accordance with the Chief Financial Officers Act consolidated financial statements for FY1997 were prepared by the Dept of the Treasury and audited This report includes Management s Discussion and Analysis Audit Report Consolidated Financial Statements Notes to the Financial Statements Stewardship Reporting Supplemental Table and Appendix a list of significant U S Government entities included and entities excluded from the consolidated financial statement

**Analytical Perspectives, Budget of the United States Government** ,2010      **Announcements and Annual Report of the Trustees** New Hampshire College of Agriculture and the Mechanic Arts,1912      Annual Report of the Board of Directors to the Stockholders St. Louis Southwestern Railway Company,1913      **Consolidated Financial Statements of the United States Government** ,1993      *Annual report of the board of directors to the stockholders* Saint Louis Southwestern Railway Company.(Cotton Belt Route),1920      *Annual Report - Macy's* Macy's (Firm),1922      **Financial Audit** United States. General Accounting Office,1996      **Annual Financial Report** Delaware. State Auditor's Dept,1923      *Annual Report of the United States Steel Corporation for the Fiscal Year Ended December 31 ...* United States Steel Corporation,1945      **Financial Report of the Comptroller, State of New York** New York (State). Department of Audit and Control,1917      Annual Report ... New Orleans, Texas & Mexico Railroad Company,1916
