Finding My Way Home Reddy Suzwe, 2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman's journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime

Tenney showed us how we can find restoration and healing after even the most egregious errors and from the most hopeless situations In Tenny s new book the pilgrimage of Ruth and Naomi to Bethlehem is the springboard for Tenney s message which teaches that many of the things that go wrong in our lives can be resolved or even avoided by adopting some very basic principles We desperately need to downsize reprioritize and sometimes even sacrifice less important things in order to simplify our lives In doing so we become unfettered enough to see more clearly where our priorities should lie We have the tendency to seek temporary satisfaction through a more convenient or more accommodating value system We settle on whatever gives us permission to do what we want and to acquire what we desire Ruth possessed the virtues of wisdom faith and trust and employing these while enduring personal crisis she realized that the very things she needed for inner strength and support were her family traditions What we find on this journey is that these foundational tenets lead us down a path to a place of peace and contentment to the Things that Really Matter *Finding Your Way in Seminary* David M.
