the record straight on Albert Speer s assertions of ignorance of the Final Solution and claims to being the good Nazi Kirkus
Reviews In his bestselling autobiography Albert Speer Minister of Armaments and chief architect of Nazi Germany repeatedly
insisted he knew nothing of the genocidal crimes of Hitler s Third Reich In this revealing new biography author Martin
Kitchen disputes Speer s lifelong assertions of ignorance and innocence portraying a far darker figure who was deeply
implicated in the appalling crimes committed by the regime he served so well Kitchen reconstructs Speer s life with what we
now know including information from valuable new sources that have come to light only in recent years The result is the first
truly serious accounting of the man his beliefs and his actions during one of the darkest epochs in modern history not only
countering Speer s claims of non culpability but also disputing the commonly held misconception that it was his unique
genius alone that kept the German military armed and fighting long after its defeat was inevitable A devastating portrait of
an empty narcissistic and compulsively ambitious personality The Wall Street Journal Kitchen s exhaustively researched
detailed book nails one by one the lies of the man who provided a thick coat of whitewash to millions of old Nazis Its
fascinating account of how the moral degradation of the chaotic Nazi regime corrupted an entire nation is a timely warning
