The Hunger Games The Hunger Games trilogy, by Suzanne Collins, takes place in a post-apocalyptic America with 12 (originally 13) Districts and an over controlling government who lives in the city known as The Capitol. As punishment for an uprising against the government almost 75 years before, each district must volunteer one male and one female between the ages of 12 and 18 every year.

The well written and well known trilogy appeared on the American Library Association's (ALA) list of most frequently banned and challenged books for the second year in a row in 2011 ranking third in cost frequently challenged books. The ALA defines a challenge as "a formal, written complaint filed with a library or school requesting that a book or other material be restricted or removed because of its content or appropriateness" (ALA). The protagonist in The Hunger Games trilogy, Katniss Everdeen, must survive The Hunger Games while facing many challenges.

The Hunger Games trilogy is on the ALA's list of Banned and Challenged books because of violence, being unsuited to age group, and being anti-Ethel, despite its many contributing factors which make it a favorable trilogy, including many historical attributes. Just seconds into the games, tributes are being slaughtered and picked off by other tributes. A boy, I think from District 9, reaches the pack at the same time I do and for a brief time we grapple for it and then he coughs, spattering my face with blood. I stagger back, repulsed by the warm sticky spray. Then the boy slips to the ground. That's when I see the knife in his back. Collins 158) Within the first couple of minutes of the games, when everyone charges in to gather supplies from the Cornucopia, fighting starts right away and many tributes are already killed immediately. When Kat, the male tribute from District 1, sees that the supplies that him, and the members of his alliance, had organized into a pyramid has been blown up he goes into a rage and walks over to the boy from District 3, who planted the mines after Kat told him to, and snapped his neck (Collins 224). The violence in this trilogy is ongoing and a natural part of a dystopian society.

Violence is also one of the main reasons why it has been challenged for being unsuited to the age group targeted. Throughout The Hunger Games, suspense builds and the violence becomes more frequent which is one of the reasons that many parents, including a mother from Sanford, New Hampshire, have challenged it. In 2010 the mother of a seventh-
