Spitfire Down Dilip Sarkar,2022-09-15 Profoundly moved by the stories of wartime casualties as a child Dilip Sarkar has since spent a lifetime reconstructing the lives of many of the fallen and is passionate about recording and sharing this very personal hidden history In Spitfire Down he explores the stories of thirteen pilots who failed to return all killed either in action or flying accidents while a fourteenth Flying Officer Buck Casson was brought down by a German ace over France and captured There is for example the virtually unknown story of The Baby of the RAF

Sergeant Geoffrey Painting Posted to fly Spitfires with 118 Squadron at RAF Ibsley in Hampshire Painting was hit by flak during an attack on enemy shipping off Cherbourg on 30 September 1941 Still listed as missing at just 17 he is believed to have been the youngest RAF pilot killed during the Second World War The author has reconstructed Painting's short life with help from his family and forensically deconstructed that last flight with the help of the now late Wing Commander Peter Howard Williams DFC who was flying with the teenage pilot that day The author also explores the heart rending story of an American trainee fighter pilot Pilot Officer Jim Bob Lee whose Spitfire collided with a Wellington bomber over Gloucestershire resulting in the loss of all airmen involved Two Canadian pilots perished on Pen y Fan the highest peak in South Wales The multi national effort that defeated Hitler is further emphasised in fact through the stories of both Wing Commander Piotr Laguna and Flying Officer Franek Surma But perhaps most tragic of all is how lightning struck Joan Welch twice her first fianc e Flight Lieutenant Lester Sanders DFC was killed test flying Spitfires in 1942 and her second Pilot Officer Ian Smith was killed flying in Palestine in 1945 Using correspondence diaries and other personal papers of the pilots concerned the author has reconstructed their all too brief lives and provided a lasting and profusely illustrated record of these sacrifices

*Ten Squadrons of Hurricanes* Adrian Stewart, 2016-08-31 For many years the importance and contribution of the Hawker Hurricane was eclipsed by the Spitfire but statistically the Hurricane was superior in the majority of cases Thanks to Tommy Sopwith's initiative and gamble the Hurricane was ready at the outbreak of the Second World War and in service throughout As this superbly researched book reveals by examining the roles actions and personalities of ten Hurricane squadrons this iconic aircraft was not only exceptionally robust but astonishingly versatile We track its performance from the Battle of France and Britain through the Middle East Italy and on to Burma It excelled as day and night interceptor intruder and importantly as a rocket firing tank buster The Hurricane inspired great loyalty among its pilots and their colourful personalities and thrilling experiences make this splendid book an informative and entertaining read
