

KS2 Cinderella Lesson Plan Ideas

Science

Materials: Look at the different materials in the story. Ideas for clothes, glass shoes, bird castle etc. Investigate different materials for shoes and the pros and cons for each of them. For example, sofas are made of rubber to make them waterproof but they aren't always the most comfortable or easy to sit in. Toppers are good for covering and being apart in because they are made from leather and fabric but aren't good for walking in the mud. Making up from basic materials, you can then look at changes in materials. These [changing state posters](#) are great for helping children. They could do the [classroom changing state experiment](#) and use record sheets to record their findings.

Friction: If you were looking at shoes you could also do an experiment looking at friction and the shoes with the best grip. This can be done with carpets with different materials covering them.

Mathematics

Time: In the story Cinderella has to be careful of the time. Create word problems involving time around the story. Such as 'The ball starts at 8pm, it takes 15 minutes to get there and 45 minutes for Cinderella to get ready, what time does Cinderella leave her house?'

You could also look at analogue clocks and through using the time decide what Cinderella could be doing at that time of the day.

PE

Bullying: The Ugly Stepsisters bullying Cinderella in the story is an idea for a platform for a bullying topic. Start off with these [discussion cards](#) to get initial thoughts on bullying from the children. The [worksheet](#) allows children to think of people they might want to go to if they are being bullied and allows the teacher to inform the children who is available in school. These [writing frames](#) are great for exploring how words can hurt other people and can make people feel different things. Use these cards as part of a display to help children remember how to behave and be a good friend. Get children to think of different ways people can bully using these [worksheets](#).

Geography

Look it with literacy and see if there are any other versions of Cinderella and compare them. Then investigate the country where it comes from, for example there is an Irish version of the story, so look at Irish culture and compare it to British culture. Use this [map](#) to look where in the world there are different versions of the Cinderella story.
