Right-hand and left-hand sides are determined by facing in the direction of forward travel.

All information, illustrations, and specifications in this manual are based on the latest product information available at the time of publication. The right is reserved to make changes at any time without notice.

Warranty is provided as part of John Deere's support program for customers who operate and maintain their equipment as described in this manual.

The warranty does not cover:

A—Products which have been altered or modified in ways not approved by John Deere, including setting fuel delivery above specifications or otherwise over-powering of products.

B—Depreciation or damage caused by normal wear, accident, lack of reasonable and necessary maintenance as specified in this manual, improper maintenance, improper protection in storage, or improper use or abuse.

C—Normal maintenance and replacement of service items such as filters, spark plugs, belts, brake linings, cutting blades and hoses unless such items are defective.

D—Transportation, mailing and service call charges for warranty service.

Tire manufacturer's warranty supplied with your tractor may not apply outside the U.S.A. and Canada.

Write machine numbers of your tractor in the Specifications section. Your dealer needs these numbers when you order parts.
