Unbroken Jennifer McNare, 2014-05-18 When Britney Taylor is assigned to serve as NHL superstar Jake McCoy's personal assistant she is anything but pleased Although most women would be overjoyed at the chance to spend two months with the drop dead gorgeous hockey player at his luxurious cabin in Stanley Idaho she isn't one of them Haunted by the demons of her past she's spent the past four years hiding behind a protective wall she's built around herself But now all that she's done to protect herself is suddenly in jeopardy When the owner of the Minnesota Blades determined to re-sign Jake for the upcoming season offers him the temporary use of his personal secretary to get him through the off season it might have seemed like the perfect solution That is if the woman in question was anyone other than Ms Britney Taylor aka The Ice Queen Her cool almost frigid demeanor has earned her the unflattering nickname within the organization and from what Jake is able to tell it's a fitting title Unfortunately however desperate times call for desperate measures What neither Britney nor Jake can anticipate however is what will happen once they arrive in Stanley That a burgeoning friendship will slowly ignite into a

passionate love affair that neither one of them ever saw coming As their time together draws to an end Britney is faced with perhaps the most difficult decision of her life To hold on to the man of her dreams and live the life she never thought possible she will have to break free from the past and overcome the fears that threaten to crush her one shot at happiness But can she Suddenly Jake a man to whom everything in life has come easy will have to fight for what he wants the woman he loves the woman he can't imagine living without But can he prove to her that he's worth fighting for or will her deeply rooted fears destroy their chance at happily ever after
