

## Installing Batteries:

NOTE: Receiver Vest must be used before use.

## Putting on the Receiver Vest:

The Receiver Vest should be in the middle of your chest. The Laser Strap Holder should be in the middle of your back.

Put the Receiver Vest on the same way you would put on a shirt – put your arms through the holes where sleeves would be and your head through where the neck hole would be.

## Using Headphones:

You can plug headphones (not included) into the headphone jack. When headphones are used, all game sounds EXCEPT the Warning Beep are heard through the headphones and you will also hear the Laser X Music Soundtrack.

Adjust the headphones volume with the Volume Dial on the side of the Vest Receiver.

## Game Play:

Select your team by sliding the switch to:

## Load your Blaster:

## Scoring Hits:

Shoot your opponent's Receiver Vest. The more accurate your shot, the more likely of scoring a hit BUT the Receiver Vest is designed to register hits on most of a player's body front.

## During Game Play:

- Blasters can hit Receiver Vests up to 400' away.
- Long Range Blasters work with original Laser X Gear.
- With each hit, the Receiver Vest Indicator will change from Green to Red.
- 8 Hits and you are out.
- For each minute you are not hit, you automatically get one hit "back".
- When you are out, you must turn your Receiver Vest OFF and re-select your team to start a new game.

## Tips:

- The Laser X Long Range Blaster is intended to be used outdoors or in a wide open indoor area.
- Very bright sunlight will decrease Laser Blast Range.
- Indoors, Laser Blaster beams can be bounced off walls and mirrors to hit your opponent.
- You can blast through windows.
- Turn your Laser X Gear to OFF when not in use. Leaving it in any of the team settings will drain batteries.

## Be a Good Sport:

- Don't cover your Receiver Vest or hide it.
- Don't wear your Receiver Vest During play.
