**Country Life**, 2006 *Country Life Illustrated*, 2008 Last Curtsey Fiona MacCarthy, 2006 In 1958 the year in which Krushchev came to power in Russia the year after Eden's resignation over Suez two years after John Osborne's *Look Back in Anger* the last of the debutantes myself among them went

to the Palace to curtsy to the Queen MacCarthy and her fellow debs or gels were taking part in a remarkable remnant of the rituals of aristocratic power The system had been in operation almost unchanged since the 18th century It was a female rite of passage an elaborate initiation ceremony marking the emergence of the virgin out of the schoolroom and into society at the now marriageable age of seventeen With their imitation grown up laughter and affectation of knowingness the girls were somewhere between teenagers and clones of the Queen herself Nigel Dempster gossip columnist and debs delight made estimates on the virginity level of the debutantes MacCarthy remembers party seasons that stretched for months among the great houses of London and the Home Counties and riotous dances on country estates in Northumberland and the Scottish Highlands Last Curtsey is a remarkable portrait of England in the past half century filtered through some of its most colourful and eccentric inhabitants

**The English in Love** Claire Langhamer, 2013-08-22 Love has a history It has meant different things to different people at different moments and has served different purposes This book tells the story of love at a crucial point a moment when the emotional landscape changed dramatically for large numbers of people It is a story based in England but informed by America and covers the period from the end of the First World War until the break up of The Beatles To the casual observer this era was a golden age of marriage More people married than ever before They did so at increasingly younger ages And there was a revolution in our idea of what marriage meant Pragmatic notions of marriage as institution were superseded by the more romantic ideal of a relationship based upon individual emotional commitment love sex and personal fulfilment And yet this new idea of marriage based on a belief in the transformative power of love and emotion carried within it the seeds of its own destruction Romantic love particularly when tied to sexual satisfaction ultimately proved an unreliable foundation upon which to build marriages fatally it had the potential to evaporate over time and under pressure Scratching beneath the surface of the apparent golden age of marriage Claire Langhamer uncovers the real story of love in the twentieth century via the recollections of ordinary people who lived through the period It is a tale of quiet emotional instability persistent subversion and unsettling change At its end the idea of life long marriage was in serious decline And as Langhamer shows this was a decline directly rooted in the contradictions and tensions that lay at the heart of the emotional revolution itself

Playboys and Mayfair Men Angus McLaren, 2017-10-22 The shocking true story of a diamond theft gone wrong offers a fascinating glimpse at the cultural currents of 1930s London In December 1937 four young men all products of elite English schools lured a Cartier diamond

salesman to the luxurious Hyde Park Hotel There the Mayfair men brutally bludgeoned the man and made off with eight rings that today would be worth approximately half a million pounds The press had a field day with the story playing to the public's insatiable appetite for news about upper crust rowdies and their unsavory pasts In *Playboys and Mayfair Men* Angus McLaren recounts the violent robbery and sensational trial that followed Using the case to explore the world of interwar London he sheds light on key social issues from masculinity and cultural decadence to broader anxieties about moral decay In his gripping depiction of Mayfair's celebrity high life McLaren describes the crime in detail as well as the police investigation the suspects their trial and the aftermath of their convictions *The Writers Directory*, 2013 *Love and Romance in Britain, 1918 - 1970* A. Harris, T.
