The Master Painter Brando Quin, 2009-02 Brando Good Life News Interview Joe The Master Painter describe the book tell us what it's about Brando It's actually a novel that contains Villains Cowboys and Indians and takes place out here in Arizona Joe Excellent Brando My Grandfather he was kind of the inspiration for that he was an artistic man and he lived here in a small town in Arizona for 100 years he just died this past February He was the inspiration for my novel and for the title The Master Painter The Master Painter was actually an Apache trained painter and they deal with some spiritual arts not everything that you see meets the eye Joe Right Brando So there is some intrigue there in the book a young boy becomes his apprentice and it's taking place during 1931 which was the year of the Great Depression and a lot of businesses were closing people were losing their homes and the nation was in an economic crisis In the book the Master Painter paints a magical painting which the young boy the apprentice can reach into and take out as much wealth as he needs whenever he needs it he describes it as taking a cold drink of water from a mountain stream that's never ending Joe Excellent Brando There are of course the cunning villains who are trying to steal the painting There's a comedy duo team which I attribute to Laurel and Hardy or Abbott and Costello which try to help the apprentice locate the Master Painter's painting after he mysteriously disappears Joe Excellent Brando There are also a few science fiction parts thrown in there with some creatures that call themselves The Watchers of Prisoners so there are a lot of elements in this book which people might find interesting Joe
