[Hitler's Last Chance](#) Kevin Prenger,2023-04-28 The war in Europe was reaching its cataclysmic final months with Germany surrounded on all sides Hitler s forces had been driven from Poland by the Red Army and the

Soviets were poised a short distance from Berlin while the Western allies having repulsed the Führer's Ardennes offensive were preparing to cross the Rhine. More than ever Hitler needed his people to stiffen their resolve for the coming onslaught. To demonstrate what will be expected of the German people and what they could achieve if they refused to acknowledge defeat a major feature film would be shown featuring the one place which held out against Napoleon when he invaded Prussia in 1807: the city of Kolberg. After crushing the Prussian Army in 1806 French forces swept into the Prussian province of Pomerania. One by one the Prussian fortresses surrendered mostly without offering any resistance except for Kolberg. The small and weakly fortified city held out for four months despite being surrounded by Napoleon's forces with Major von Gneisenau organizing a citizen's militia to aid the Army in its defense. Though much of the city was blasted into ruin Kolberg remained in Prussian hands until the war with France ended with the signing of the Peace of Tilsit by which time its defense had become legendary. Even though the Third Reich was literally entering its death throes in attempting to reproduce the siege of Kolberg on film thousands of experts, extras and horses were taken from the war effort by the Reich Minister of Propaganda Joseph Goebbels. The film's emphasis was to show how civilians and the military can work together to save Germany just as Kolberg had been saved from the French. The result has been stated to be the most expensive feature film ever made in Germany. This book examines the dramatic conditions under which the film was produced and the scale of the resources needed to do so followed by its first showing on 30 January 1945. All Goebbels' efforts though were to no avail as the film never went on general release. A month later as the author reveals Kolberg found itself under siege once again but this time after bitter house to house fighting it fell to the Soviets in less than four weeks. Excerpt: As a Commissioner of Goldfields and Police Magistrate in New South Wales it is hardly necessary to say that Arnold Banneret's pay was not conspicuously in advance of the necessities of life. Necessaries which may be thus catalogued: a couple of decent ride and drive horses; a light much enduring buggy; clothes and books; boots and shoes; bread and butter for half a dozen growing boys and girls with an occasional trip to the seaside; and a regularly recurring doctor's bill while the Rev Mr Wilson's quarterly accounts for the eldest boy's board and tuition had also a knack of turning up inconveniently soon as it appeared to paterfamilias after his departure to school. He was leaning against the corner of the police barrack having just returned from a long official ride with Inspector Falcon revolving the question of ways and means or else the conflicting evidence in a knotty complicated mining case upon which he had reserved his decision. He had invested all the money he could spare this was before the latest mining Act in a promising claim which had turned out worthless. His tradespeople usually forbearing had suddenly disclosed monetary pressure requiring to be relieved by cash payment. Altogether the outlook was overclouded there was even a presage of storm and stress. [LIFE, Your One Last Chance](#) Korak Day, 2020-04-15
