Latter Day Saints Millennial Star Vol 17 1855:

The Latter-Day Saints' Millennial Star, 1854 *the latter-day saints millennial star volume xli*, 1879 Joseph Smith's Polygamy, Volume 2: History Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and exposés multiplied it was not until 1852 that Mormons in Brigham Young's Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith's poignant response and the possibility of Joseph Smith's offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson's own private research conducted in the late nineteenth century Telling the story of Joseph Smith's polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all *The Latter-day Saints' Millennial Star*, 1854 THE LATTER-DAY SAINTS' MILLENNIAL STAR. VOLUME XVI., 1854 Joseph Smith's Polygamy, Volume 3: Theology Brian C. Hales, 2013-02-26 Americans of Joseph Smith's day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy It was long abandoned Christians understood by the time Jesus set forth the dominating law of the New Testament But how did Joseph Smith understand it Where did it fit in the restitution of all things Acts 3:21 predicted in the New Testament What part did it play in the global ideology declared by this modern prophet who produced new scripture new revelation and new theology During Joseph Smith's lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice As a result reconstructing Joseph Smith's theology of plurality is a task that has seldom been undertaken Most theological examinations have either focused on its development during Brigham Young's Utah period with

its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith's lifetime then assembles the doctrinal principles from his recorded addresses the diary entries of those closely associated with him and his broader teachings on the related topics of obedience to God's will marriage and family relations and the mechanics of eternal progression salvation and exaltation The revelation he dictated in July 1843 that authorized the practice of eternal and plural marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines Attempts to explain the history of Joseph Smith's polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed This volume which takes those principles and evidences with the utmost seriousness has produced the most important explanation of why this ancient practice reemerged among the Latter-day Saints on the shores of the Mississippi in the early 1840s

Saints: The Story of the Church of Jesus Christ in the Latter Days: Volume 2 The Church of Jesus Christ of Latter-day Saints, 2020-02-12 Saints Vol 2 No Unhallowed Hand covers Church history from 1846 through 1893 Volume 2 narrates the Saints expulsion from Nauvoo their challenges in gathering to the western United States and their efforts to settle Utah's Wasatch Front The second volume concludes with the dedication of the Salt Lake Temple

Latter-Day Saint Biographical Encyclopedia Andrew Jensen, 1901

Promises Made to the Fathers Rex Eugene Cooper, 1990

The Mormon Question Sarah Barringer Gordon, 2003-01-14 From the Mormon Church's public announcement of its sanction of polygamy in 1852 until its formal decision to abandon the practice in 1890 people on both sides of the Mormon question debated central questions of constitutional law Did principles of religious freedom and local self government protect Mormons claim to a distinct religiously based legal order Or was polygamy as its opponents claimed a new form of slavery this time for white women in Utah And did constitutional principles dictate that democracy and true liberty were founded on separation of church and state As Sarah Barringer Gordon shows the answers to these questions finally yielded an apparent victory for antipolygamists in the late nineteenth century but only after decades of argument litigation and open conflict Victory came at a price as attention and national resources poured into Utah in the late 1870s and 1880s antipolygamists turned more and more to coercion and punishment in the name of freedom They also left a legacy in constitutional law and political theory that still governs our treatment of religious life Americans are free to believe but they may well not be free to act on their beliefs
