

The book cover features a warm, golden-yellow background with a detailed illustration of the Ingalls family. At the top, a small wooden house is nestled among trees. In the center, a large, light-colored oval frame contains the title and author information. Below the oval, the family is depicted: a man (Pa) on the left, a woman (Ma) on the right, and several children. A small dog is visible at the bottom center. The overall style is classic and nostalgic, typical of children's book covers from the mid-20th century.

Laura Donald Zochert,1976 Fascinating account of the life of the author of the Little House books Copyright Libri GmbH All rights reserved **Laura Ingalls Wilder: Creator of the Little House Books** Emma Carlson Berne,2007-09-01 Discusses the life of the woman who created the famous Little House books from her childhood in Wisconsin to her old age at Rocky Ridge Farm **Laura Ingalls Wilder** Pamela Smith Hill,2007 Examines Wilder's tumultuous but ultimately successful professional and personal relationship with her daughter the hidden editor Rose Wilder Lane **Becoming Laura Ingalls Wilder** John E. Miller,2006-01-31 Although generations of readers of the Little House books are familiar with Laura Ingalls Wilder's early life up through her first years of marriage to Almanzo Wilder few know about her adult years Going beyond previous studies *Becoming Laura Ingalls Wilder* focuses upon Wilder's years in Missouri from 1894 to 1957 Utilizing her unpublished autobiography letters newspaper stories and other documentary evidence John E Miller fills the gaps in Wilder's autobiographical novels and describes her sixty three years of living in Mansfield Missouri As a result the process of personal development that culminated in Wilder's writing of the novels that secured her reputation as one of America's most popular children's authors becomes evident *What Happened to Those People Laura Ingalls Wilder Wrote About?* Daniel D. Peterson,2013-06-10 What Happened to Those People Laura Ingalls Wilder Wrote About About is booklet number five in series of booklets on important people and events that shaped Walnut Grove MN history It focuses on the people mentioned in her manuscript *Pioneer Girl* 133 pgs with photos **Laura Ingalls Wilder** Ginger Wadsworth,1997-01-01 Tells the life story of the author of the Little House books from her childhood in Wisconsin to her death at Rocky Ridge Farm at the age of ninety **Laura Ingalls Wilder** Sallie Ketcham,2014-09-16 Laura Ingalls Wilder wrote stories that have defined the American frontier for generations of readers As both author and character in her own books she became one of the most famous figures in American children's literature Her famous Little House on the Prairie series based on her childhood in Wisconsin Kansas Minnesota and South Dakota blended memoir and fiction into a vivid depiction of nineteenth century settler life that continues to shape many Americans understanding of the country's past Poised between fiction and fact literature and history Wilder's life is a fascinating window on the American West Placing Wilder's life and work in historical context and including previously unpublished material from the Wilder archives Sallie Ketcham introduces students to domestic frontier life the conflict between Native Americans and infringing white populations and the West in public memory and imagination Laura Ingalls Wilder and Rose Wilder Lane John E. Miller,2008-12-03 The mother daughter partnership that produced the Little House books has fascinated scholars and readers alike Now John E Miller one of America's leading authorities on Laura Ingalls Wilder and Rose Wilder Lane combines analyses of both women to explore this collaborative process and shows how their books reflect the authors distinctive views of place time and culture Along the way he addresses the two most controversial issues for Wilder Lane aficionados how

much did Lane actually contribute to the writing of the Little House books and what was Wilder's real attitude toward American Indians Interpreting these writers in their larger historical and cultural contexts Miller reconsiders their formidable artistic political and literary contributions to American cultural life in the 1930s He looks at what was happening in 1932 from depression conditions and politics to chain stores and celebrity culture to shed light on Wilder's life and he shows how actual little houses established ideas of home that resonated emotionally for both writers In considering each woman's ties to history Miller compares Wilder with Frederick Jackson Turner as a frontier mythmaker and examines Lane's unpublished history of Missouri in the context of a contemporaneous project Thomas Hart Benton's famous Jefferson City mural He also looks at Wilder's Missouri Ruralist columns to assess her pre Little House values and writing skills and he readdresses her literary treatment of Native Americans A final chapter shows how Wilder's and Lane's conservative political views found expression in their work separating Lane's more libertarian bent from Wilder's focus on writing moralist children's fiction These nine thoughtful essays expand the critical discussion on Wilder and Lane beyond the Little House Miller portrays them as impassioned and dedicated writers who were deeply involved in the historical changes and political challenges of their times and contends that questions over the books authorship do not do justice to either woman's creative investment in the series Miller demystifies the aura of nostalgia that often prevents modern readers from seeing Wilder as a real life woman and he depicts Lane as a kindred artistic spirit helping readers better understand mother and daughter as both women and authors

Laura Donald Zochert, 1977-05-01 Draws on documented records and Mrs Wilder's unpublished memoirs to picture the people places and events that informed her ninety years and inspired her well beloved Little House books

[Story of Laura Ingalls Wilder](#) Megan Stine, 1992-08-01 When Laura Ingalls Wilder was a little girl in the late 1800s her family moved nine times in three years The Wilders faced great hardships on the prairie The crops they planted were destroyed by grasshoppers Brutal snowstorms brought them close to starvation But for Laura who was born with her father's pioneer spirit home wasn't a house it was being with Ma Pa Mary and baby Carrie At the age of 65 she put pen to paper and wrote about memories Through hard work and the help of her daughter Rose she became a successful author The wonderful books she left behind tell the story of a rich life in the face of good times and bad
