Pursuing Equity and Success for Marginalized Educational Leaders Salazar Montoya, LeAnne C., Bonn, Christopher, 2024-02-22 In educational leadership aspiring leaders from traditionally marginalized backgrounds face a difficult range of challenges that hinder their ability to thrive This problem is not confined to a single facet but extends its reach across the educational landscape impacting diversity equity and inclusivity within academic institutions As the demand for authentic and practical guidance in navigating the leadership pipeline becomes increasingly urgent institutions struggle to prepare aspiring leaders effectively and develop a more inclusive curriculum These issues are deeply interconnected forming a complex and multifaceted problem that demands an all encompassing solution Within the pages of Pursuing Equity and Success for Marginalized Educational Leaders the remedy for this intricate challenge unfolds This groundbreaking book emerges as a product of collaboration between seasoned practitioners and esteemed researchers presenting a comprehensive guide aimed at empowering aspiring leaders hailing from marginalized backgrounds It is a valuable resource offering practical guidance and research backed strategies **Stuck in the Shallow End, updated edition** Jane Margolis, 2017-03-03 Why so few African American and Latino students study computer science updated edition of a book that reveals the dynamics of inequality in American schools The number of African Americans and Latino students receiving undergraduate and advanced degrees in computer science is disproportionately low And relatively few African American and Latino high school students receive the kind of institutional encouragement educational opportunities and preparation needed for them to choose computer science as a field of study and profession In Stuck in the Shallow End Jane Margolis and coauthors look at the daily experiences of students and teachers in three Los Angeles public high schools an overcrowded urban high school a math and science magnet school and a well funded school in an affluent neighborhood They find an insidious virtual segregation that maintains inequality The race gap in computer science Margolis discovers is one example of the way students of color are denied a wide range of occupational and educational futures Stuck in the Shallow End is a story of how inequality is reproduced in America and how students and teachers given the necessary tools can change the system

Since the 2008 publication of *Stuck in the Shallow End* the book has found an eager audience among teachers school administrators and academics This updated edition offers a new preface detailing the progress in making computer science accessible to all a new postscript and discussion questions coauthored by Jane Margolis and Joanna Goode *Deepening Digital Citizenship* Carrie Rogers-Whitehead, Vanessa Monterosa, 2023-03-28 Get strategies for building the capacity to develop and deliver professional learning to support a systemwide digital citizenship program implementation How can education leaders provide comprehensive support to implement key digital citizenship practices Are we creating one size fits all digital citizenship curriculum How can we bring together partners from diverse backgrounds and abilities to expand the meaning of digital citizenship This book addresses all these questions and more showing educators of all levels how to implement digital citizenship in an inclusive and equitable manner The book includes An overview of organizational approaches to examining digital citizenship on a system level Ideas for developing policy that is inclusive of all stakeholders Case studies that demonstrate ways of working with various populations including youth in care refugees and individuals with autism and ADHD Strategies for practicing digital citizenship across a range of ages abilities and backgrounds The book also discusses accessibility in technology and teaching and offers information about assistive and adaptive technology and how it relates to digital citizenship Audience Education leaders classroom teachers *The Origins of the Common Core D.* Owens, 2015-01-22 Owens provides a historical analysis of the ideological movements and reform efforts leading to the Common Core State Standards beginning with conservative criticism of public schools in the 1930s and culminating in a convergence of the political right and left in efforts to systemically reform education based on free market principles

Forensic Victimology Brent E. Turvey, 2023-07-21 Forensic Victimology Examining Violent Crimes in Investigative and Legal Contexts Third Edition introduces criminologists and criminal investigators to the idea of systematically gathering and examining victim information for the purposes of addressing investigative and forensic issues The book continues the legacy of the first two editions with both theoretical and applied coverage of the subject of victimology The specific applications discussed remain investigative and provide legal venues designed to assist investigators and forensic examiners with the task of performing victimological assessments Sections delve into the areas of femicide and mass shootings which are global problems that further emphasize related casework and research Provides context and scope for both the investigative and forensic aspects of case examination and evidence interpretation Approaches the study of victimology from a realistic standpoint moving away from stereotypes and archetypes Includes case examples to demonstrate the application of forensic victimology **Breaking Down the Wall** Margarita Espino Calderon, Maria G. Dove, Diane Staehr Fenner, Margo Gottlieb, Andrea Honigsfeld, Tonya Ward Singer, Shawn Slakk, Ivannia Soto, Debbie Zacarian, 2019-09-11 It was a dark and stormy night in Santa Barbara January 19 2017 The next day s inauguration drumroll played on the evening news Huddled around a table were nine Corwin authors and their publisher who together have devoted their careers to equity in education

They couldn't change the weather they couldn't heal a fractured country but they did have the power to put their collective wisdom about EL education upon the page to ensure our multilingual learners reach their highest potential Proudly we introduce you now to the fruit of that effort *Breaking Down the Wall Essential Shifts for English Learners Success* In this first of a kind collaboration teachers and leaders whether in small towns or large urban centers finally have both the research and the practical strategies to take those first steps toward excellence in educating our culturally and linguistically diverse children It's a book to be celebrated because it means we can throw away the dark glasses of deficit based approaches and see children who come to school speaking a different home language for what they really are learners with tremendous assets The authors contributions are arranged in nine chapters that become nine tenets for teachers and administrators to use as calls to actions in their own efforts to realize our English learners potential 1 From Deficit Based to Asset Based 2 From Compliance to Excellence 3 From Watering Down to Challenging 4 From Isolation to Collaboration 5 From Silence to Conversation 6 From Language to Language Literacy and Content 7 From Assessment of Learning to Assessment for and as Learning 8 From Monolingualism to Multilingualism 9 From Nobody Cares to Everyone Every Community Cares Read this book the chapters speak to one another a melodic echo of expertise classroom vignettes and steps to take To shift the status quo is neither fast nor easy but there is a clear process and it's laid out here in *Breaking Down the Wall* To distill it into a single line would go something like this if we can assume mutual ownership if we can connect instruction to all children's personal social cultural and linguistic identities then all students will achieve *West's California Reporter* ,
