believe that books on any single idea or topic should not be stretched to hundreds of pages Such thick books are only suitable for authors who explain multiple topics like forty eight laws of power twenty rules of leadership fifty ideas to make money etc but not for any single topic book A single topic book should be short and snappy like a cup of ice cream Hence I have made this book a simplified get to the point guide on the Law of Attraction It s designed to give the reader my helicopter view and interpretation of how LOA works how to use it celebrities who practice it and so on The information in this book is sufficient for a casual reader to dive in quickly absorb the essence and walk out with a fistful of knowledge of LOA I hope you will find the book useful Thanks for reading

### **Law of Oneness**

Jessy Salamone, 2017-05-01 Law of Oneness is the program the ancients have intended for us to use for millennia It's a way of looking at reality to the way things work in our universe not how things are played out on our current delusion The ancients have wanted us all to unlock our potential to grow in consciousness The Law of Oneness tells us how reality works in all our perception to recognize and break free from all our own potentials and activate our bliss to the reality of oneness The one reality that has the power to undermine all other realities From behind bars to beyond the stars that's how far Jessy Salamone had to go in his personal growth and spiritual awakening to make the true nature of reality understandable for us all With Law of Oneness which he started writing while serving time for drug related offenses Jessy succeeds in turning a complicated topic into a narrative that is reader friendly and engaging As he explains it the Law of Oneness is a universal formula or equation that works in all things and is the ultimate master key to take us to Source The components of that formula include transcending society programmed thinking overcoming insecurities that cause low self esteem freeing ourselves from the limits of ego finding the courage to go forward despite fear or disapproval identifying our purpose in life and recognizing that love is the glue holding everything together Of course there's much much more in Law of Oneness to
