MARTHA'S VINEYARD

Martha's Vineyard, New England's largest island, was named by sailors in the 1600s. The name is thought to mean "the island of the vines" because of the many vines growing on the island.

The island is made up of the same old granite that is the backbone of the mainland. It is a rugged, hilly island with a lot of interesting sights and things to see. The island is also a great place to enjoy the outdoors. There are many trails and paths for hiking and biking.
