Impossible to Possible R.C. Bhargava, 2024-01-18 IN 1981 A COMPANY WAS formed that quite unbelievably led to the creation of a modern car industry in India The company was Maruti and its experiences have relevance far beyond the car industry extending to the entire manufacturing segment Its success is all the more remarkable as Maruti started out as a public sector company but with a Japanese partner an almost certain recipe for failure given the cumbersome bureaucratic procedures and socialistic ideology that were prevalent Moreover the component industry needed to support its ambitious plans 100 000 cars annually was fragmented and technologically obsolete Today India has become the third largest automotive market in the world and a major exporter of cars Maruti itself ranks among the biggest

manufacturers and is set to double its capacity to 4 million cars by 2030 As R C Bhargava who has been with the company from its inception emphasises Maruti s learnings apply not just to one industry but more crucially to India s growth aspirations Manufacturing is the cornerstone of these making Impossible to Possible one of the most important books to come out on the subject of management and development **Strategic Management of Services** Ranjan Das,1997 Using fifteen original case studies across the service sector industry in India this book analyzes the growing Indian service sectors in the current liberalization phase from the viewpoint of managers and corporate entities both Indian and multinational
