

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Everyone Loses Samuel Charap, Timothy J. Colton, 2018-10-09 Disorder erupted in Ukraine in 2014 involving the overthrow of a sitting government the Russian annexation of the Crimean peninsula and a violent insurrection supported by Moscow in the east of the country This Adelphi book argues that the crisis has yielded a ruinous outcome in which all the parties are worse off and international security has deteriorated This negative sum scenario resulted from years of zero sum behaviour on the part of Russia and the West in post Soviet Eurasia which the authors rigorously analyse The rivalry was manageable in the early period after the Cold War only to become entrenched and bitter a decade later The upshot has been systematic losses for Russia the West and the countries caught in between All the governments involved must recognise that long standing policies aimed at achieving one sided advantage have reached a dead end Charap and Colton argue and commit to finding mutually acceptable alternatives through patient negotiation
