Memo Randum 11 November 2014:

Framing the Threat Imke Köhler, 2019-03-04 There is great power in the use of words words create most of what we consider to be real and true Framing our words and narratives is thus a tool of power but a power that also comes with limitations This intriguing issue is the topic of Framing the Threat an investigation of the relationship between language and security and of how discourse creates the scope of possibility for political action In particular the book scrutinizes and compares the security narratives of the former US presidents George W Bush and Barack Obama It shows how their framings of identity i e of the American self and the enemy other facilitated a certain construction of threat that shaped the presidents detention and interrogation policies By defining what was necessary in the name of national security Bush s narrative justified the operation of the detention center at Guantanamo Bay and rendered the mistreatment of detainees possible a situation that would have otherwise been illegal Bush s framings therefore enabled legal limits to be pushed and made the violation of rules appear legitimate Obama in contrast constructed a threat scenario that required an end to rule violations and the closure of Guantanamo for security reasons According to this narrative a return to the rule of law was imperative if the American people were to be kept safe However Obama s framing was continually challenged and it was never able to dominate public discourse Consequently Framing the Threat argues Obama was unable to implement the policy changes he had announced

A Sleeping Giant? Oluwaseun Tella, 2021-09-20 This edited volume explores Nigeria s domestic and international politics and its implications for the country s national development and international status Coinciding with the twenty year anniversary of Nigeria s return to democratic rule this volume considers the state of democracy in Nigeria and examines its successes and challenges with a view towards offering possible solutions for the country s future development The first half of the volume addresses domestic politics focusing on current issues such as the 2019 elections Nigerian federalism media state civil society relations and Boko Haram terrorism The second half looks at Nigeria s relations with its African neighbors discussing the relationships between Nigeria and South Africa Egypt Ghana and Cameroon among others Engaging the full spectrum of the politics of a rising African power this volume will be of interest to students and researchers of comparative politics international relations foreign policy African studies regional politics peace security conflict and development studies as well as African policymakers

Regulating Information Asymmetry in the Residential Real Estate Market Devin Lin, 2017-07-06 This book conducts a detailed examination of the current form of the Hong Kong residential property regulatory system the 2013 Residential Properties Firsthand Sales Ordinance Cap 621 The author sheds light on how the new legislation promotes a number of values including information symmetry consumer protection the free market and business efficacy It provides a detailed account of how the regulatory mechanism has evolved over the past three decades to catch unconscionable sales tactics such as selective information and or misrepresentation of location size completion date and past transactions and monitor sales practices in order to protect the interests of stakeholders in this

ever changing first hand residential property market This book breaks down this complicated subject matter by focusing a number of chapters each on a specific attribute of the residential property on sale It then examines the various channels through which the information is communicated to the prospective buyer and discusses misrepresentation of the key information in sales of residential properties as criminal liability The tension between consumer s rights on one hand and the pursuit of free market principles on the other is but one example of the conflicting values thoroughly discussed in the book others include superstition vs modernization and clarity vs flexibility Aimed at those with an interest in consumer protection and transparency orientated legislation in commercialized real estate transactions this book seeks to provide an in depth discussion of the latest trends and directions of travel *Spatializing Practices of Regional Organizations during Conflict Intervention* Jens Herpolsheimer,2021-02-28 This book studies relevant actors and practices of conflict intervention by African regional organizations and their intimate connection to space making addressing a major gap regarding what actually happens within and around these organizations Based on extensive empirical research it argues that those intervention practices are essentially spatializing practices based on particular spatial imaginations contributing to the continuous construction and formatting of regional spaces as well as to ordering relations between different regional spaces Analyzing the field of developing practices of conflict intervention by the Economic Community of West African States ECOWAS and the African Union AU the book contributes a new theory oriented analytical approach to study African regional organizations ROs and the complex dynamics of African peace and security based on insights from Critical Geography As such it helps to close an empirical gap with regard to the internal modes of operation of African ROs as well as the lack of their theorization It demonstrates that contrary to most accounts intervention practices of African ROs have been diverse and complexly interrelated involving different actors within and around these organizations and are essentially tied to the space making This book will be of key interest to students and scholars of African Politics Governance Peace and Security Studies International or Regional Organizations and more broadly to Comparative Regionalism International Relations and International Studies Dispute Settlement Reports 2016: Volume 5, Pages 2273 to 2868 World Trade Organization,2017-12-28 The Dispute Settlement Reports are the WTO authorized and paginated reports in English An essential addition to the library of all practicing and academic trade lawyers and needed by students worldwide taking courses in international economic or trade law DSR 2016 Volume 5 reports on United States Anti Dumping and Countervailing Measures on Large Residential Washers from Korea WT DS464 **Energy Policy of the European Union** Johannes Pollak,Samuel Schubert,Maren Kreutler,2016-01-07 This broad ranging text provides an analysis and assessment of the European Union s energy policy It examines the components of the internal energy market alongside energy policy and politics on the international stage and in doing so outlines the increasing importance of this global issue **Military Review** ,2015 Cameroon-Nigeria Relations Osita Agbu,C. Nna-Emeka Okereke,2022-10-25 Cameroon Nigeria Relations Trends

and Perspectives edited by Osita Agbu and C Nna Emeka Okereke examines various aspects of Cameroon Nigeria relations since the countries attained independence in 1960 The Cameroonian and Nigerian contributors contextualize core topical issues that have featured prominently in the course of bilateral relations between both countries ranging from the theoretical underpinnings required to understand the dynamics of Cameroon Nigeria relations to contending issues and areas of mutual interests driving diplomatic relations between them This book reveals trends and dynamics while also accommodating divergent perspectives that demonstrate how theories can be applied to achieve real results Of significant import is the prognosis that stimulates concerns for the future of Cameroon Nigeria relations bearing in mind the strategic positions of both countries in West and Central Africa Cameroon Nigeria Relations is an indispensable resource for scholars diplomats and foreign policy actors that will enrich understanding and inform opinions on charting future courses for healthy bilateral relations between Cameroon and Nigeria **Professional Journal of the United States Army**, 2015 **The Truth Pill**

Dinesh Singh Thakur, Prashant Reddy Thikkavarapu, 2022-10-10 Since 2004 when the fraud at Ranbaxy the largest Indian pharmaceutical company at the time first came to light the Indian pharmaceutical industry and clinical research organizations have been rocked by a series of scandals after investigations by American and European drug regulators While the West has responded to concerns about quality of Made in India medicine by blocking exports from many Indian pharmaceutical companies the Indian government responded not with regulatory reform but conspiracy theories about vested interests working against India More worryingly the Indian state has also turned a blind eye to a far more serious quality crisis in its domestic pharmaceutical market At times these quality issues manifest themselves in the deaths of Indian citizens as happened in early 2020 when 11 children died in Jammu because of adulterated cough syrup On other occasions a dodgy drug approval process has led to the Indian regulator approving sales of drugs that have never been approved by regulators in the developed markets The result is not just poor health outcomes but outsize profits for pharmaceutical companies manufacturing medicines that have never been validated through scientifically rigorous clinical trials for therapeutic evidence These twin crises in both the domestic and export markets is because India has either outdated regulations or no regulations in some areas Even the outdated regulations are enforced with kid gloves by drug inspectors and judicial magistrates who are ready to forgive even those whose drugs are found to contain barely any active ingredient or dangerously high levels of bacterial endotoxins In a race for growth of the pharmaceutical industry the Indian state has sacrificed scientific rigour and ignored the basic principles of public health Given India's position as the pharmacy of the developing world the failure of the Indian state is a problem for not just India but most of the developing world This timely important and compelling book based on deep research questions and analyzes the actions of the institutions that are responsible for the safety and efficacy of the Indian drug supply in the context of the historical evolution of the Drugs Act 1940 from pre Independence India to the present day The future of Indian public health lies in responding to the issues

raised in this book *Inside Australia's Anti-Terrorism Laws and Trials* Andrew Lynch, Nicola McGarritty, George Williams, 2015-03-01 Over ten years after Australia's first national laws were enacted to combat the threat of terrorism yet more anti-terrorism laws were passed in the Australian Parliament in late 2014. The first laws were often introduced in great haste and were stunning in scope and number. The latest laws are similarly extensive and controversial. Yet again powers and sanctions once thought to lie outside the rules of a liberal democracy except during wartime have become part of Australian law. Timely, piercing and in regard to the first set of laws written with the benefit of hindsight, this book asks whether Australia really needed to enact anti-terrorism laws in the first place, let alone add to them. Do the new laws pose increased threats to freedom of speech and freedom of the press? Have these laws been effective in protecting the community, or do they represent a long-term threat to the health of Australian democracy? Which laws have proved their worth, and which have not? And what has been the impact of the laws in Australia's anti-terrorism trials and on the Muslim community? Most tellingly, the book asks whether seeing these anti-terror laws as normal is a danger in itself.

Britain, America, and the Special Relationship since 1941 B. J. C. McKercher, 2017-06-07 Britain America and the Special Relationship since 1941 examines the Anglo-American strategic and military relationship that developed during the Second World War and continued until recent years. Forged on a common ground of social, cultural and ideological values as well as political expediency, this partnership formed the basis of the western alliance throughout the Cold War, playing an essential part in bringing stability to the post-1945 international order. Clearly written and chronologically organized, the book begins by discussing the origins of the Special Relationship and its progression from uneasy coexistence in the eighteenth century to collaboration at the start of the Second World War. McKercher explores the continued evolution of this partnership during the conflicts that followed, such as the Suez Crisis, the Vietnam War, and the Falklands War. The book concludes by looking at the developments in British and American politics during the past two decades and analysing the changing dynamics of this alliance over the course of its existence. Illustrated with maps and photographs and supplemented by a chronology of events and list of key figures, this is an essential introductory resource for students of the political history and foreign policies of Britain and the United States in the twentieth century.

Better Choices Greg Mills, Mcebisi Jonas, Haroon Bhoro, Ray Hartley, 2022-04-01 A must-read accessible and skilful account of South Africa's socio-economic challenges, policy and governance choices. THEMBA MASEKO All the numbers on South Africa's crisis dashboard are blinking red. The economy is failing to grow and more and more young people find themselves on the outside looking in as education falters and jobs disappear. Energy and transport are in crisis. Governance is floundering as debt mounts and government runs out of money. *Better Choices* is a collection by South Africa's top thinkers on the political economy, providing an unflinching account of the myriad challenges the country faces. The picture that emerges is of a nation on the brink of a catastrophic slide into failure unless better, if tough, policy choices are made. As stark as these problems are, their solutions are tantalisingly close at hand. The chapters in this book outline exactly

the solutions those better choices that need to be made by leadership to alter the country's bleak trajectory South Africa cannot talk its way out of trouble Key to success is removing the sources of friction the red tape over regulation and rents that slow down investment This is only possible if a more effective focused government acts decisively Compiled by The Brenthurst Foundation Africa's leading think tank on economic development Better Choices is for those who want to build a positive inclusive future for South Africa

Panguru and the City: Kāinga Tahi, Kāinga Rua Melissa Matutina Williams, 2016-03-09 Travelling from Hokianga to Auckland in the middle decades of the twentieth century the people of Panguru established themselves in the workplaces suburbs churches and schools of the city Melissa Matutina Williams writes from the heart of these communities The daughter of a Panguru family growing up in Auckland she writes a perceptive account of urban migration through the stories of the Panguru migrants Through these vibrant oral narratives the history of Māori migration is relocated to the tribal and whānau context in which it occurred For the people of Panguru migration was seldom viewed as a one way journey of new beginnings it was experienced as a lifelong process of developing a coexistent home place for themselves and future generations Dreams of a brighter future drew on the cultural foundations of a tribal homeland and past Panguru and the City Kāinga Tahi Kāinga Rua traces their negotiations with people and places from Auckland's inner city boarding houses places of worship and dance halls to workplaces and Māori Affairs homes in the suburbs It is a history that will resonate with Māori from all tribal areas who shared in the quiet task of working against state policies of assimilation the economic challenges of the 1970s and neoliberal policies of the 1980s in order to develop dynamic Māori community sites and networks which often remained invisible in the cities of Aotearoa New Zealand [Yale Law Journal: Volume 124, Number 6 - April 2015](#) Yale Law Journal, 2015-04-17 The contents of Yale Law Journal's April 2015 issue Volume 124 Number 6 include Article The Constitutional Duty To Supervise by Gillian E Metzger Article Architectural Exclusion Discrimination and Segregation Through Physical Design of the Built Environment by Sarah Schindler Feature Fifty Attorneys General and Fifty Approaches to the Duty To Defend by Neal Devins Saikrishna Bangalore Prakash Note Executive Orders in Court by Erica Newland Comment Stare Decisis and Secret Law On Precedent and Publication in the Foreign Intelligence Surveillance Court by Jack Boeglin Julius Taranto Quality ebook formatting includes fully linked footnotes and an active Table of Contents including linked Contents for all individual Articles Notes and Essays proper Bluebook formatting and active URLs in footnotes

The Marine Corps Tanks Collection Oscar E. Gilbert, 2018-09-18 Together these books provide the definitive history of the USMC's tank forces Very highly recommended Military Modelcraft International Marine Corps Tank Battles in Korea A detailed and gripping account of the little known Marine tank engagements during the Korean War from the valiant defense at Pusan and the bitter battles of the Chosin Reservoir to the bloody stalemate along the Jamestown Line Oscar E Gilbert unfolds the unique role played by tanks in the destruction of the ill fated Task Force Drysdale how Marine armor was a key factor in the defense of Hagaru and how a lone tank made it to

Yudamni and then led the breakout across the high Toktong Pass Marine Corps Tank Battles in Vietnam In 1965 the large loud and highly visible tanks of 3rd Platoon B Company 3rd Tank Battalion landed across a beach near Da Nang drawing unwelcome attention to America's first almost covert commitment of ground troops in South Vietnam Marine Corps tankers sought out the enemy in the sand dunes jungles mountains paddy fields tiny villages and ancient cities of Vietnam dealing with guerrilla ambushes from the Viet Cong and the long range artillery capability of the North Vietnamese Army Marine Corps Tank Battles in the Middle East In America's longest continual conflict armored Marines became entangled in guerrilla war amid the broiling deserts ancient cities and rich farmlands of Iraq and in the high bleak wastes of Afghanistan Fighting a fanatical foe who brutalized civilians planted sophisticated roadside bombs and seized control of entire cities the Marine Corps tankers cleared roads escorted convoys conducted endless sweep operations to locate and destroy insurgent strongholds protected voting sites for free elections and recaptured and rebuilt urban centers even adding a new trick to their repertoire long range surveillance Tanks in Hell On November 20 1943 the 2nd Marine Division launched the first amphibious assault of the Pacific War directly into the teeth of powerful Japanese defenses on Tarawa In that blood soaked invasion a single company of Sherman tanks of which only two survived played a pivotal role in turning the tide from looming disaster to legendary victory

Law and Society in Malaysia Andrew Harding, Dian A. H. Shah, 2018-01-02 This book provides a systematic and interdisciplinary examination of law and legal institutions in Malaysia It examines legal issues from historical social and political perspectives and discusses the role of law in relation to Malaysian multiculturalism religion politics and society It shows how the Malaysian legal system is at the heart of debates about how to deal with the country's problems which include ethnic and religious divisions uneven and unsustainable development and political authoritarianism and it argues that the Malaysian legal system has much to teach other plural polities nations within the common law tradition and federal states

TERRORISM: COMMENTARY ON SECURITY DOCUMENTS VOLUME 146 Douglas C. Lovelace, Jr., 2017-06-07 Terrorism Commentary on Security Documents is a series that provides primary source documents and expert commentary on various topics relating to the worldwide effort to combat terrorism as well as efforts by the United States and other nations to protect their national security interests Volume 146 Russia's Resurgence examines recent developments in the foreign policy and strategy of the Russian Federation including an examination of its aggression against neighboring states with Russian populations its recent focus on strengthening its military capabilities its larger strategy vis vis NATO and the United States its utilization of hybrid warfare in the gray zone to achieve its goals its increasing influence on Middle Eastern politics and the historical context within which these developments have occurred This volume includes Congressional Research Service reports on security issues concerning the United States Ukraine and the Russian Federation as well as an English language version of the Military Doctrine of the Russian Federation made available to the public NATO's Framework for Future Alliance Operations and recent studies on Russia's hybrid warfare from the NATO Defense College

and the Joint Special Operations University Press

Bail-In and Total Loss-Absorbing Capacity (TLAC) Yves

Mauchle, 2016-06-01 As opposed to a bank bailout a bail in occurs when creditors are forced to bear some of the burden of bank failure The principal aim of this restructuring tool is to eliminate some of the risk for taxpayers Several jurisdictions including Switzerland and the European Union EU have adopted legal provisions regarding the bail in but until this book literature on its implementation has been scarce Offering a detailed and comparative analysis of EU and Swiss law relating to bail ins and their economic impact this is the first book to provide in depth coverage of this new method of dealing with the failure of systemically important banks In its contextualisation and analysis of the bail in resolution tool the book identifies and discusses the legal and economic issues that arise including such aspects as the following the legal and economic properties of bail in capital the regulatory standard on total loss absorbing capacity TLAC issued by the Financial Stability Board FSB the scope and sequence of liabilities subjected to bail in the legal position of stakeholders affected by a bail in strategies and procedures for the implementation of a bail in the limited circumstances under which government rescues should be available and cross jurisdictional issues and aspects of international cooperation As well as case studies and analyses of legal issues with particular reference to Swiss law and the European Bank Resolution and Recovery Directive 2014 59 EU the author applies economic concepts to the analysis of the law International developments in particular standards issued by leading regulatory bodies are also covered This book will be welcomed by legal practitioners working in banks and in banking regulation and by policymakers seeking information on the practical issues involved As a detailed analysis of a new and highly significant development in banking law it will also be of great interest to academics

Yearbook Commercial Arbitration: Volume XL 2015 Albert Jan Van Den Berg, 2015-12-21 The Yearbook Commercial Arbitration continues its longstanding commitment to serving as a primary resource for the international arbitration community with reporting on arbitral awards and court decisions applying the leading arbitration conventions as well as on arbitration legislation and rules Volume XL 2015 includes excerpts of arbitral awards made under the auspices of the International Chamber of Commerce ICC and the Paris International Arbitration Chamber CAIP notes on new and amended arbitration rules including references to their online publication notes on recent developments in arbitration law and practice in Andorra Australia Belarus Brazil Comoros the Democratic Republic of the Congo the Dubai International Financial Centre DIFC Latvia Slovakia the State of Palestine Turkey and the United States excerpts of 68 court decisions applying the 1958 New York Convention from 24 countries including for the first time cases from Anguilla Belarus and Latvia all indexed by subject matter and linked to the General Editor's published commentaries on the New York Convention an extensive Bibliography of recent books and journals on arbitration The Yearbook is edited by the International Council for Commercial Arbitration ICCA the world's leading organization representing practitioners and academics in the field with the assistance of the Permanent Court of Arbitration The Hague It is an essential tool for lawyers business people and scholars involved in the

practice and study of international arbitration

The Enigmatic Realm of **Memo Randum 11 November 2014**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Memo Randum 11 November 2014** a literary masterpiece penned by way of a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those who partake in its reading experience.
