MIND MAPS GR 11

The information in these mind maps is supposed to supplement the textbooks, not replace it.

Although the author has made every effort to ensure that the information is correct, the CAPS document must still be consulted as the primary guideline.

Throughout you'll see this abbreviation (RMIOT) = Read More In Own Textbook.

You should consult your textbook about everything you read in the summary anyway, but especially for the items marked with (RMIOT) – since there is a lot more info about it that have not been included in these mind maps.
