

# CHAPTER 18

## Section 3

GUIDED READING *The Mughal Empire in India*

**A. Predicting Outcomes** As you read about the Mughal Empire, make notes in the chart to describe the outcome of each action listed.

|                                                                                                                                        |   |  |
|----------------------------------------------------------------------------------------------------------------------------------------|---|--|
| 1. Babur leads troops to victories over an army led by the sultan of Delhi and the Rajput army.                                        | → |  |
| 2. Akbar governs through a bureaucracy of officials in which natives and foreigners, both Hindus and Muslims, can rise to high office. | → |  |
| 3. Akbar prohibits inheritance of land granted to bureaucrats.                                                                         | → |  |
| 4. Akbar appoints rajputs as officers in Mughal army.                                                                                  | → |  |
| 5. Akbar practices cultural blending.                                                                                                  | → |  |
| 6. The Sikhs defend Khurram in his rebellion against his father, Jahangir.                                                             | → |  |
| 7. Shah Jahan orders the building of the Taj Mahal.                                                                                    | → |  |
| 8. Aurangzeb strictly enforces Islamic laws and reinstates tax on non-Muslims.                                                         | → |  |
| 9. Aurangzeb dies.                                                                                                                     | → |  |

**B. Recognizing Main Ideas** On the back of this paper, identify the Mughals and describe their cultural legacy.

What do we have today that the Mughals created?
