[iPhone SE for Seniors: The Complete Guide](#) Bill Stoneham, 2016-06-01. Apple has always made headway in making the best devices with great features. The iPhone SE Special Edition is no different. The latest Apple phone was released at a press conference on March 21, 2016. The official release to the public was on March 31, 2016. It is the smallest phone in the iPhone line and can be seen as a skilful combination of the iPhone 5s and the iPhone 6s. This is a great combination creating a phone that is sleek and efficient. Many reviews have said that the new iPhone is a powerful and complete device in a small 4-inch package. The new iPhone has been designed with the features users have been accustomed to, along with new upgrades for their clients. Some of the new features include the increased storage capacity of 16GB or 64GB, new powerful display, and improved camera for your pictures. The device can be used to make calls using the internet and has fingerprint features that can help to identify you and process transactions faster.
