Today, author Tara Brooke lives life with passion, but it wasn't always that way. In *Beautiful Ambition*, she describes her painful childhood, her parents' divorce, her mother's ill health, and the bullying and humiliation she endured at the many different schools she was forced to attend because of their many moves. Never settling for the life she was born into and training herself to believe in the impossible, Tara, through hard work and self-discipline, set out on a path of personal growth and development. In this must-have book, Tara provides a step-by-step approach on how to go about life, how to embrace being who and what you are and want to be, all while staying true to yourself and remaining dedicated to making things happen and to having your dreams become reality. The core message being: You can do anything in life that you put your head, heart, and mind to. Tara is an amazing example that no matter how difficult your childhood is, you can still have a warm, loving heart, a love of life, and a spiritual light that will guide you into becoming a wonderful person, the kind that Tara has become today.
