Variety ,1947 *Cracking the MCAS*. Elizabeth Miller, Princeton Review (Firm), 2001-03-13 The Princeton Review realizes that acing the MCAS Grade 8 History and Social Science exam is very different from getting straight As in school. TPR doesn't try to teach students everything there is to know about history; only what they'll need to score higher on the exam. There's a big difference. In *Cracking the MCAS Grade 8 History and Social Science*, The Princeton Review will teach test takers how to think like the test makers and score higher by knowing what will be on the test in advance. Get familiar with the test format to avoid surprises on test day. Use Process of Elimination, pacing, aggressive guessing, and other techniques to earn more points. Dodge the test traps and pitfalls that cost test takers points. This book includes 2 full-length simulated MCAS Grade 8 History and Social Science exams. The questions are just like the ones test takers will see on the actual exam, and The Princeton Review fully explains every solution. Contents include: Introduction, Test Strategy II, Subject Review: American Foundations to 1750, The Struggle for Freedom 1750 to 1815, A Nation in Conflict 1815 to 1877, World History III. The Princeton Review Practice Tests **United States History Kansas** Holt McDougal, 2011-04-27
