

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Parliament. House of Commons,1868 The Administration of Justice in Assam (1826-1874) Achyut Kumar

Borthakur,2019-01-15 Based on original sources this volume is a pioneering work in the study of the growth and development of judicial administration in Assam since the beginning of the East India Company s rule in the province till it was separated from the Bengal Presidency in 1874 In view of the fact that Assam had its own laws and codes different from those of other provinces of British India this work is unique and pioneering in its reach Assam was administered under non regulation system which had its origin in the neighbouring province of Bengal and was governed by a mixed system of local and regulation laws In the administration of civil justice the Bengal regulations were entirely dispensed with while in criminal administration the regulations were followed more or less Since the occupation of the province by the Company s government till 1837 the fundamental drawback of the entire judicial administration was the want of a definite code of law the absence of which confused the administrators in delivering justice It was only in 1837 that rules for the civil and criminal administration popularly known as the Assam Code were drafted and judicial administration in the province found a sound footing The presentation and analysis of the laws and codes prepared by the Government of Bengal in its executive capacity in consultation with the local authorities in Assam is the most distinctive feature of this comprehensive work Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka
