Bibliographic Guide to Maps and Atlases, 2003 **Empire Building** Rosie Llewellyn-Jones, 2023-08-21 Empire Building is a new account of the East India Company's impact on India focusing on how it changed the subcontinent's built environment in the context of defence urbanisation and infrastructural development Rosie Llewellyn Jones examines these initiatives through a lens of political building using Indian contractors and labourers

Railways docks municipal buildings Freemasons lodges hotels racecourses barracks cemeteries statues and canals everything the British erected made a political statement even if unconsciously Hence this book is concerned less with architectural styles more with subtle infiltration into the minds of those who saw and used these structures It assesses in turn Indian responses to the changing landscape Indians often reacted favourably to new manufacturing technologies from Britain such as minting and gunpowder while the British learnt from and adapted local methods From military engineers and cartography to imported raw metals and steam power Llewellyn Jones considers the social and environmental changes wrought by colonialism This period was marked by a shift from formerly private Indian controlled functions such as education entertainment trading and healing to British public institutions such as universities theatres chambers of commerce and hospitals Stepping aside from ongoing colonialism debates this is a fascinating account of India's physical transformation during the Company period
