*Guide to Hair Braiding For Beginners* Dr Patrick Elliot,2021-06-13 Braided hairstyles are great for less than squeaky clean hair but to spruce up your oily roots between washes you may want to try a spray on dry shampoo When applied around the front and crown areas and rubbed in it absorbs excess oil to eliminate that greasy scalp look Dry shampoo can also add volume to your style even if it s not dirty You can make your own dry shampoo from cornstarch use solo on lighter hair and unsweetened cocoa powder mix both for darker hair Lastly depending on your hair type you may want to use hairspray styling paste and or conditioning oil to prevent and combat frizz and flyaway I have fine dry wavy hair that typically requires all the anti frizz help it can get My hair care routine involves washing twice per week seldom use of hot tools and applying organ oil to the ends every day I m careful to avoid breakage by detangling gently Hair is more elastic and fragile when wet

### **How to Braid Hair Elizebeth Ashford,2014-05 Learn Now the Most Popular Hair**

Styles of All Time Braids are known to be the most ancient type of hairstyle. It has been around for over 30 000 years and was even used as a means of communication during the olden times. The hairstyle was also used to distinguish whether a woman is single or married. The kind of braid that a woman has once considered a mark indicating whether she belongs to a particular tribe. Braiding is also a social art. In other words, because of the time they spend braiding, people begin to have some form of bond and start talking about their lives; sometimes they even end up talking about whatever is going on in the world. Aside from that, when people watch you create braids, they will be tempted to learn how to do it too. That's why braiding is also considered as a means of socialization. If you do not learn how to braid, you would be missing a lot because it means that you will have to hire someone else to style your hair, especially if there are events or parties that you have to attend. This would mean that you'll lose some money because you would have to pay those hairdressers, and these days money really does not come easy, and that's why you have to do whatever you can to make sure that you are able to save. It's time for you to become your own hairstylist and learn how to do braids. It's fun, and you will not get bored because there are many different kinds of braids that you can try. With the help of this book, you will learn to do almost all braiding techniques, from the simplest ones to the most extraordinary varieties. Now you would have no problems about what to do with your hair when a special occasion comes up or when you simply feel like fixing yourself up. Here is a preview of what you'll learn: Simple Braids, Play with Fishtail Braid, Braids for Weddings and Parties, Braids in the Media, Other Kinds of Braids, Much much more.
