## 10 tips to keep your children safe online

The internet has transformed the ability to access content. Many apps that children use are dependent on user-generated content which can encourage freedom of expression, imagination and creativity. However, due to the sheer volume uploaded every day, it can be difficult for platforms to regulate and moderate everything, which means that disturbing or distressing images, videos or audio clips can slip through the net. That's why we've created this guide to provide parents and carers with some useful tips on keeping children safe online.

### 1 MONITOR VIEWING HABITS
Whilst most apps have moderation tools, inappropriate content can still slip through the net.

### 2 CHECK ONLINE CONTENT
Understand what's being shared or what seems to be 'trending' at the moment.

### 3 CHECK AGE-RATINGS
Make sure they are old enough to use the app and meet the recommended age-limit.

### 4 CHANGE PRIVACY SETTINGS
Make accounts private and set content filters and parental controls where possible.

### 5 SPEND TIME ON THE APP
Get used to how apps work, what content is available and what your child likes to watch.

### 6 LET CHILDREN KNOW YOU'RE THERE
Ensure they know that there is support and advice available to them if they need it.

### 7 ENCOURAGE CRITICAL THINKING
Talk about what people might post online and why some posts could cause distress.

### 8 LEARN HOW TO REPORT & BLOCK
Always make sure that children know how to use the reporting tools on social media apps.

### 9 KEEP AN OPEN DIALOGUE
If a child sees distressing material online; listen to their concerns, empathise and offer reassurance.
### 10 SEEK FURTHER SUPPORT
If a child has been affected by something they've seen online, seek support from your school's safeguarding lead.
