[The Binge Watcher's Guide to The West Wing](#) Joshua Stein, 2024-08-15 What's Next? The Binge Watchers' Guide to *The West Wing* looks back at the classic television show 25 years later. Aaron Sorkin's political drama had an enormous influence on American politics. The show is a time capsule from the political moment after the Berlin Wall fell but before 9/11. This first book focuses on the first two seasons of the show, examining how the television show explains political issues, scandals, and vision. *The West Wing* was a show about political optimism, something that's hard to imagine now; it also influenced less optimistic political dramas including *Shonda Rhimes Scandal* and even sitcoms including *Parks and Recreation*. The show is a political and cultural touchstone. The book gives a critical appraisal of many of the show's themes, including how its optimism and politics have held up over the years.
