Hood Noire, 2007-08-07 From a rough childhood to the number one spot in one of Brooklyn's most lucrative drug empires Lamont Mason has learned one lesson Ain't no need in looking over your shoulder in this game Because your real enemies ain't aiming at your back They lunging straight for your heart Lamont Hood Mason is a fearless nineteen year old gangsta who was born and raised in the projects of Brooklyn New York He was an abandoned child who roamed the cold city streets and fought hard for survival The only thing constant in his young life was the safety of a Brownsville barbershop owned by a father figure called Fat Daddy The barbershop is where Hood comes of age but cutting hair isn't the only thing Fat Daddy has going on His daughter Egypt is the love of Hood's young life and the one person whose dreams of a stable future can lead him off the grimy urban corners and out of the hustling life But when Fat Daddy gets caught slippin and crosses paths with Xanbar a notoriously brutal drug kingpin his vices threaten to bring death down on the family Hood loves In an effort to protect his own Hood and his best friend and hustling partner Dreko take to the streets on a bloody mission that doesn't go exactly as planned Hood returns to find his world turned upside down by a wave of sex violence and betrayal No longer the starving kid on the street he's now a man seeking vengeance and retribution and he might be forced to choose between bending or breaking as he picks up the shattered pieces of his life one by one In Our Own Voices, Redux Teresa Y.

Chyna S.,2015-08 A touching story that many women have been through have you ever been Blinded by Love Have you ever been or are being lied to cheated on walked over used and abused Were you or are you so tired of it and you don t know what to do Being Blinded by Love can break your heart have your mind gone and doing things that you know is not right however you are still doing them due to the fact that you are Blinded by Love Being in a Blinded by Love situation can be a detriment to one s health and can lead to someone being hurt mentally or physically Are you Ignoring reality not seeing the wrong he is doing Like being addicted to a drug and just can t and don t want to let go Do the bad outweigh the good Don t be hooked on a dream as you will be a fool You don t want to have low confidence high confidence is what you should have Being Blinded by Love can lead one to have low self esteem with a wall always up You see the negative bad things however you are ignoring the signs because you Love this person so much and you want this person to Love you back Open your eyes and stop being blinded by false actions Deep down inside you know that you are not happy but you still choose to stay You are first priority make sure that you are happy before trying and making your mate happy especially one that s not even worried about you being happy Stop being in denial and leave before it is too late Library Journal Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,2007 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately The Erotic Whitman Vivian R. Pollak,2000-08-04 Absorbing and incisive The Erotic Whitman makes an important contribution not only to our understanding of the dynamics of nineteenth century literary history but also more generally to American studies and gender studies in particular to the increasingly lively study of the subject now called masculinities Sandra Gilbert author of *Wrongful Death A Medical Tragedy* and with Susan Gubar of *The Madwoman in the Attic* The Erotic Whitman moves skillfully between Whitman s use of the sexualized body and his dreams for the body politic drawing on Whitman s biography to provide newly informed illuminating readings of his work This work should place Pollak solidly alongside other elite Whitman scholars such as Michael Moon M Jimmie Killingsworth and Betsy Erkkila Emory Elliott Distinguished Professor of English University of California Riverside This is an incisive venturesome

carefully argued contribution to an often discussed but still insufficiently understood dimension of Whitman's life writing and significance its biographical historical bases its aesthetics its cultural political implications One may at certain points dispute but at no point fail to respect Pollak's thoughtful unfolding of her subject from Whitman's early family life to the myth of democratic maternalism in his later poetry Lawrence Buell author of *The Environmental Imagination Thoreau Nature Writing and the Formation of American Culture* This is an imaginative and sensitive book about the profoundly personal sources of Whitman's poetry in his relations with his family and his male lovers Through illuminating readings of Whitman's early fiction his various editions of *Leaves of Grass* and *Democratic Vistas* Pollak argues that Whitman's democratic and homoerotic dream vision is frequently at odds with the realities of his life as son brother and lover Pollak's scholarship is impressive and massive and she brings new insights to bear on many dimensions of Whitman's life and writing She is particularly attentive to the place and plight of women in Whitman's work Her book will be widely read and appreciated especially by Whitman scholars and others interested in the psychosexual and biographical sources of art Betsy Erkkila author of *Whitman the Political Poet*
