Murder Charlie Parker is hoping for a holiday season without drama but that just isn't going to happen. Her office assistant's baby is due any moment her brother is engaged to a woman Charlie is only now beginning to know and her social calendar is becoming incredibly full. When she and Drake are invited to a soiree at a showplace historic home she's eager to go. But before she can fully settle in and enjoy the season a disturbing case comes through the door at RJP Investigations and Charlie can't turn away the distraught man whose life was ripped apart by the disappearance of his children several years earlier. She has to do everything in her power to make his family holiday a happy one even if the effort might very well destroy her own. Holidays Can Be Murder This Christmas novella brings together all that we love about the holidays: special foods, plenty of sweets and visiting mothers-in-law. Charlie is about to host Drake's mother for the week and isn't at all sure how that will work out. They make ready for the visit with all the extras that make a New Mexico Christmas so special: setting out luminarias, hanging the outdoor lights, putting up the tree, making green chile stew and hoping for snow. It should be perfect. It would be perfect except for the murder that happens right in their neighborhood. Includes two bonus New Mexico holiday recipes.
