

Business Case for My Fashion Neckties

Problem The fashion industry has experienced a serious shortage of new designs and styles, especially in the necktie market. This is due to the fact that the industry has been dominated by a few large companies that have been producing the same designs for decades. This has led to a lack of innovation and a decline in the quality of the products. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.

Investigation

in 20

The first step in the investigation was to identify the current market for neckties. This was done by looking at the sales of the major companies in the industry. It was found that the market was dominated by a few large companies that had been producing the same designs for decades. This led to a lack of innovation and a decline in the quality of the products. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.

The next step in the investigation was to identify the reasons for the shortage of new designs and styles. This was done by looking at the production process of the major companies in the industry. It was found that the production process was highly automated and that the companies were not investing in research and development. This led to a lack of innovation and a decline in the quality of the products. The industry needs to find a way to create new designs and styles that will attract customers and increase sales.
