was hung up on the plane and being dragged to their death I checked the direction of smoke on the drop zone and then let the parachute fly so that I could also gauge the direction of the wind 4 I was told to meet with the sergeant major of the battalion who was a friend of Morrell's He told me little about the unit but told me that it was a chance to be a charter member of a unit dedicated to fighting international terrorism *Inside Delta Force* Eric Haney, 2003-07-29 Now the inspiration for the CBS Television drama *The Unit* Delta Force They are the U S Army's most elite top secret strike force They dominate the modern battlefield but you won't hear about their heroics on CNN No headlines can reveal their top secret missions and no book has ever taken readers inside until now Here a founding member of Delta Force takes us behind the veil of secrecy and into the action to reveal the never before told story of 1st Special Forces Operational Detachment D Delta Force He is a master of espionage trained to take on hijackers terrorists hostage takers and enemy armies He can deploy by parachute or arrive by commercial aircraft Survive alone in hostile cities Speak foreign languages fluently Strike at enemy targets with stunning swiftness and extraordinary teamwork He is the ultimate modern warrior the Delta Force Operator In this dramatic behind the scenes chronicle Eric Haney one of the founding members of Delta Force takes us inside this legendary counterterrorist unit Here for the first time are details of the grueling selection process designed to break the strongest of men that singles out the best of the best the Delta Force Operator With heart stopping immediacy Haney tells what it's really like to enter a hostage held airplane And from his days in Beirut Haney tells an unforgettable tale of bodyguards and bombs of a day to day life of madness and beauty and of how he and a teammate are called on to kill two gunmen targeting U S Marines at the Beirut airport As part of the team sent to rescue American hostages in Tehran Haney offers a first person description of that failed mission that is a chilling compelling account of a bold maneuver undone by chance and a few fatal mistakes From fighting guerrilla warfare in Honduras to rescuing missionaries in Sudan and leading the way onto the island of Grenada Eric Haney captures the daring and discipline that distinguish the men of Delta Force *Inside Delta Force* brings honor to these singular men while it puts us in the middle of action that is sudden frightening and nonstop around the world *Inside Delta Force* Eric L.
