Julius Caesar Act 5 Glencoe:

The History of England, from the Invasion of Julius Caesar to the Death of George the second David Hume, Tobias George Smollett, 1824

History of England from the Invasion of Julius Caesar to the End of the Reign of George II. David Hume, 1854

The History of England from the Invasion of Julius Caesar, to the Death of George the Second, in Sixteen Volumes, with Historical Vignettes, and Portraits of the Sovereigns by Hume and Smollett ,1844

Illusions of Control Erica L. Gaston, 2024-08-06 Over the last two decades the United States has supported a range of militias rebels and other armed groups in Afghanistan Iraq and Syria Critics have argued that such partnerships have many perils from enabling human rights abuses to seeding future threats Policy makers however have sought to mitigate the risks of partnering with irregular armed groups Militia group leaders in far flung corners of these war torn countries were subjected to background checks and instructed about international law and human rights and their funding was cut when they crossed red lines To what extent have such mechanisms curbed the dangers of proxy warfare and what unforeseen consequences has this approach unleashed Drawing on a decade of field research and hundreds of interviews with stakeholders Erica L Gaston unpacks the dilemmas of attempting to control proxy forces She demonstrates that although the tools U S policy makers used to constrain partners behavior increased in number and sophistication they never fully addressed the range of political security and legal concerns surrounding these forces Moreover by shifting policy makers calculations the use of proxy forces introduced additional moral hazards and may have enabled riskier decision making Featuring substantial empirical detail and close analysis of key internal debates *Illusions of Control* offers new perspectives on some of the most significant and controversial elements of recent U S security policy In addition to nuanced insights about proxy relationships this book provides a novel analytical toolkit for exploring transnational bargaining and foreign policy deliberations in hybrid political environments

“The” History of England, from the Invasion of Julius Caesar to the Accession of George the Fourth David Hume, Tobias Smollett, Robert Scott, 1825

“The” History of England, from the Invasion of Julius Caesar to the Abdication of James the Second David Hume, 1793
