Love's Journey Dontavius M. Foster,2010-02-08 Summary of Love s Journey In this book I have had more than my share of life s problems and I feel like we all share the same common thoughts in wondering how one s life can be so promising yet deceptive How love and hate co exist in a realm of equal compromise To the edification of good nevertheless evil always seem to follow Life is not to be mistreated so life has to be embraced However love is only surreal to those who treat it like that Therefore we have the power to declare our happiness and decipher who what when where and why people try to keep us miserable like themselves Along this journey love and pain has been produced and we all must go through this chapter of life I feel like its time to let others feel what I have experienced and now realize what has been due to me since my very existence my happiness and to show you all that you too can have peace in whatever situation you may be facing because you cannot stay down forever I have tasted a piece the goodness and I want more Finally to those who have chosen to read this book I hope you find useful information to move on to your destiny your happiness and your eighth wonder of the world You have to want better and hold on to what life has in store for you If it s for you then no one else can take it P S Find your reason for living and there you will find what makes you tick Dontavius M Foster

She goes to church on Sundays, she reads the Bible, not daily but still. She does all the right things or at least she intends to do the right thing. How can she know if she's saved or not? Gabriella's quest to find out if she's saved leads her on a journey to find out who God really is. With her best friends by her side and making a few new ones along the way, she discovers that God is so much more than the box that she had put Him in. She truly learns to understand the words "Not my will be done but Yours." **I Love You - I Love You Too** King Solomon David Jesse ETE, 2008-11-01 ABSTRACT LOVE Adrian Gabriel Dumitru, 2020-12-06 There are lots of books published every year with all kinds of theories, but not so many expressing the concept of abstract love. I would define this as a reflection of our thoughts into the real life. We call it abstract because it has nothing to do with the normal dogmatic way of seeing the love stories. Real love, that perfect scenario with the perfect partner, can be seen at any age depending on the luck our karma allows us to have. But we want it so much that the Universe allows us this meeting with only one obstacle, which in many cases makes the love story impossible. Thinking in a positive way, we redefine the impossible story as an abstract one. Being a reflection of our dreams, the story itself is a perfect one except for the fact that you cannot enjoy the story in the real world, creating the image of an illusion. Impossible love stories are present all over the world. After posting a long time in social media, I received messages from people from all the continents telling me about them. The word love being present near the word impossible creates this strange, illusory and abstract way of seeing the magic of love. The book is a collection of essays, my thoughts about the interconnection between the illusion and reality. I used a lot of the term illusion because we all look for perfect scenarios, especially when it comes to love, but the truth is that perfection is far, far away from reality. We can interconnect illusions with the real world just through impossible love stories. In the end, the book is a personal development writing that allows us to understand the magic of love but also a method that teaches how to enjoy life even if we dislike the word impossible. **THE CHAPEL OF LOVE BOX SET** Hope Ramsay, 2018-03-30 Now available in one volume, three heartwarming novels from USA Today bestselling author Hope Ramsay. *A Christmas Bride* 'Tis the season in Shenandoah Falls, but widower David Lyndon has a bit of a humbug approach to the holidays until he's shown the spirit of the season by his daughter and her godmother Willow.
