Michael Krivyanski, 2015-11-06 Baby Boomers experienced a world growing up that is very different from the one we live in today Some say it's better and some say it's worse We can all agree it's very different These are humor columns about being a Baby Boomer Baby Boomers came of age in a time when there were water fountains instead of hydration stations Our childhood was filled with playing outside When we were forced to stay inside it was tantamount to being punished We spoke to people in person and understood body language There was no cyber world We all had to learn how to deal with reality There were no computer games There were pick up sports based on who had a baseball football basketball or other sports equipment Playing a game depended on if the sports equipment owners were willing to share Card games were played with real cards We camped out without adults went on bike hikes swam in creeks and more Now we're middle age or older Our

bodies are changing and the world around us continues to make less and less sense This book is about the many common things experienced by Baby Boomers Just like the song from the group The Who I m Talkin bout my generation You Gotta Laugh to Keep from Cryin' Sam Venable,2003 From Knoxville News Sentinel humor columnist Venable comes a rollicking view of life after 50 that will leave readers laughing and happy to be members of the AARP set **Boomer Humor** Glen Warner,2011 This hilarious collection of jokes is written especially for all those Baby Boomers fast approaching their senior years These jokes will keep you laughing for hours that is if you can remember where you put your reading glasses Sam Joe and Ben three boomers go out for a walk Sam says Windy isn t it Joe says No it s Thursday Ben says So am I let s go for a drink New pick up line Do I come here often Betty and her husband Bob have been married for 30 years On their 55th birthdays a fairy appears before them and grants them each one wish Betty says I d like to spend a month in Hawaii POOF Two tickets to Maui appear in her hands Bob says I d like to have a woman 30 years younger than me POOF He is suddenly 85 Boomerang: Baby Boomer Humor From Today's Perspective Paul Bourassa,2019-11-30 There s plenty of humor in what the Baby Boom generation s up to now With a style reminiscent of Andy Rooney and Garrison Keillor these Musings portray a lighthearted view of us now with a sense of our Boomer roots Using personal experiences stories and a slightly off beat perspective the goal is to chronicle the current Boomer Generation in a way that s engaging humorous and uplifting With titles like Marty the Ant StomperThe Alley KingdomI d Rather Have the Shingles on My RoofSex The Revolution We Started It Who Won Catharsis GesundheitFood and the Shoes I Would Rather Eat The Mouseketeers of Now andThe Love Letteryou ll discover the focus isn t solely on at the past since there s no threat that the history or lore of the Boomer Generation will ever disappear Though as paintings exposed to time and the elements there s a danger the vivid colors have faded This book emphasizes a unique approach by looking at what s going on with this generation is now We ve never lost the ability to paint the world our way Still as we ve traveled down our life paths so much has gotten in the way of the expression of our Boomerism Is there still time for it to return In reading these musings you ll discover that it can come back Like a good Boomerang
