Laura Hartman Business Ethics McGraw:

Business Ethics Laura P. Hartman, Joseph R. DesJardins, Laura Hartman, Chris MacDonald, 2023-02-07 We began writing the first edition of this textbook in 2006 soon after a wave of major corporate scandals had shaken the financial world. Headlines made the companies involved in these ethical scandals household names: Enron, WorldCom, Arthur Andersen, KPMG, J P Morgan, Merrill Lynch, Morgan Stanley, Citigroup, Salomon Smith Barney. At that time we suggested that in light of such significant cases of financial fraud, mismanagement, criminality, and deceit, the relevance of business ethics could no longer be questioned. Business Ethics: Decision Making for Personal Integrity & Social Responsibility Chris MacDonald, Laura P. Hartman, Joseph R. DesJardins, 2017-02-09 Author Note: Laura Hartman was most recently at DePaul University. She also currently serves as executive director of a trailblazing trilingual elementary school in Haiti, the School of Choice I Ecole de Choix. She is also cofounder of an online micro development finance and education system for people living in poverty in Haiti called Zafen. Previously, Hartman served as director of external partnerships for Zynga.org, the charitable arm of the social game developer Zynga. She has written many other books including *Rising above Sweatshops*, *Innovative Management Approaches to Global Labor Challenges*, *Business Ethics: Decision Making for Personal Integrity & Social Responsibility*. 4e provides a comprehensive, accessible, and practical introduction to the ethical issues arising in business. Hartman et al. focuses on real world ethical decision making at both the personal and policy levels and provides students with a decision making process that can be used in any situation. Practical applications throughout the text show how theories relate to the real world. The 4th edition features thoroughly updated statistics and coverage of timely issues and dilemmas throughout the text.
