

Washing Machine Instruction Manual

DWD-F1011/1012/1013'S/F1211/1212/1213'S

INSTRUCTION MANUAL

Economic wash system

Using artificial intelligence, the washer uses minimum energy and water by selecting optimal water level and washing time.

Low noise system

The washer minimizes the washing and spinning noises by sensing the amount of laundry.

Child-Lock

The Child-Lock system has been used to prevent children from pressing any button to change the program during operation.

Nano-silver sterilization washing(Optional)

By applying very fine silver particles on essential parts inside, the washer sterilizes up to 99.9% as is done by boiling wash.

Air bubble washing(Optional)

This is an advanced technology that generates millions of air bubbles inside the drum on washing sequence, and the bubbles dissolve the detergent particles completely and cleanse all the soil in clothes gently and neatly.

Lavadora Daewoo Manual Instrucciones:

El español de los traductores y otros estudios Alicia María Zorrilla, 2023-01-06 Traducir y escribir son ejercicios que exigen plenitud intelectual y como tales deben desplegar la paciencia la claridad la mesura del decoro la discreción de la prudencia y sobre todo el amor por cada letra que es germen de la palabra Pero al traducir amor denota luchar sin claudicaciones en medio de una jungla verbal con la convicción de que siempre quedar un espacio intraducible entre las dos lenguas y también significa saber ansias insaciables de saber un saber vigorosamente ambicioso sobre la lengua que nos identifica para darnos con más respeto a los demás ya que cada voz nos expresa y los expresa Los ojos ajenos y los nuestros tienen sed de deslumbrarse ante los textos traducidos de penetrarlos de ser palabras en las palabras de los otros y hasta de ser pensados por las palabras de los otros Por eso cada línea de escritura debe ser camino de belleza un indiscutible hecho de arte
