**The IMLI Treatise On Global Ocean Governance** David Joseph Attard, Malgosia Fitzmaurice, Alexandros Ntovas, 2018-07-04 The 1982 United Nations Convention on the Law of the Sea UNCLOS remains the cornerstone of global ocean governance However it lacks effective provisions or mechanisms to ensure that all ocean space and related problems are dealt with holistically With seemingly no opportunity for revision due to the Convention's burdensome amendment provisions complementary mechanisms dealing with such aspects of global ocean

governance including maritime transport fisheries and marine environmental sustainability have been developed under the aegis of the United Nations and other relevant international organizations This approach is inherently fragmented and unable to achieve sustainable global ocean governance In light of the Sustainable Development Goals SDGs particularly Goal 14 the IMLI Treatise proposes a new paradigm on the basis of integrated and cross sectoral approach in order to realise a more effective and sustainable governance regime for the oceans This volume focuses on the role of the UN Specialized Agencies towards the development of effective and sustainable ocean governance by looking at the more elaborate mechanisms they developed in order to achieve the desired objectives laid down in UNCLOS From FAO to UNODC the volume examines how they ensure sustainable development and how much coordination exists among them *Executive-legislative (Im)balance in the European Union* Diane Fromage,Anna Herranz-Surrallés,2021-02-11 Ten years after the entry into force of the Lisbon Treaty has executive predominance in EU related matters disappeared How have executive legislative relations in the EU evolved over a crisis ridden decade from the financial and migration crises to Brexit and the COVID 19 pandemic The Lisbon Treaty could be expected to lead to the re balancing of powers in favour of parliaments for it significantly enhanced the roles of both the European Parliament and national parliaments A decade later the contributions to this edited volume examine for the first time in such an extensive breadth and from a multi level and cross policy perspective whether this has actually materialised They highlight that diverging tendencies may be observed and that important variations over time have occurred depending particularly on the occurrence of crises As stated in the fascinating epilogue by Peter Lindseth University of Connecticut School of Law this is an admirably coherent collective volume whose contributions provide an excellent overview of key aspects of executive legislative relations in the European system since the Treaty of Lisbon This edited volume will hence be of interest to both academics and practitioners interested in future reforms designed at the European and national levels to improve the EU s democratic quality *Immersive Learning Research Network* Dennis Beck,Colin Allison,Leonel Morgado,Johanna Pirker,Foad Khosmood,Jonathon Richter,Christian Gütl,2017-06-06 This book constitutes the refereed proceedings of the Third International Conference of the Immersive Learning Network iLRN 2017 held in Coimbra Portugal in June 2017 The proceedings contain 17 full papers together with 4 short papers carefully reviewed and selected from 80 submissions This year s special focus is Honoring Tradition Immersed in the Future

**Institutional Translation and Interpreting** Fernando Prieto Ramos,2020-11-17 This collection brings together new insights around current translation and interpreting practices in national and supranational settings The book illustrates the importance of further reflection on issues around quality and assessment given the increased development of resources for translators and interpreters The first part of the volume focuses on these issues as embodied in case studies from a range of national and regional contexts including Finland Switzerland Italy Spain and the United States The second part takes a broader perspective to look at best practices and questions of quality through the lens of international bodies and

organizations and the shifting roles of translation and interpreting practitioners in working to manage these issues Taken together this collection demonstrates the relevance of critically examining processes competences and products in current institutional translation and interpreting settings at the national and supranational levels paving the way for further research and quality assurance strategies in the field The Introduction Chapter 7 and Conclusion of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

A Family

Matter Megan Gaucher,2018-05-15 How do we define family In an attempt to police incoming migrants the Harper government adopted a strict definition of family to limit access to citizenship for certain immigrants Even when immigrants had no intention of sponsoring family members their familial networks affected their entry to Canada resulting in differentiated treatment of families living within and beyond Canadian borders Megan Gaucher analyzes the government s assessment of sexual minority refugee claimants relationship history and common law and married spousal sponsorship applications and its crackdown on marriage fraud concluding that this narrative of citizenship reinforces racialized gendered and sexualized assumptions about the Canadian family As many Western governments ponder more restrictive immigration policies A Family Matter offers a timely examination of family formation as a factor in both granting and refusing citizenship This important work proposes a course for re evaluating how family is defined and for implementing more just assessments of immigrants and refugees
