The Sola Scriptura Challenge Brian E. Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John

would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church

The Coming New World Order Thomas J. Mueller,2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is coming based on all the trends and global pressures that is facing mankind today The question is who's world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man's vision and his world ruling government that has only produced war or God's vision and Christ's world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the

Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don't heed the warnings and change our ways. Our message therefore is simple: Christ is returning shortly as King of Kings to establish a new political order. His world ruling government of the Kingdom of God on earth. His return can either be a forceful one or a peaceful one. It is our decision. Either way we need to decide soon and get ready for the Second Coming.

The title of this book is Revelation. Revelation is variously defined as an uncovering, a bringing to light of that which had been previously wholly hidden or only obscurely seen. God has been pleased in various ways and at different times (Heb 1:1) to make a supernatural revelation of himself and his purposes and plans which under the guidance of his Spirit has been committed to writing. Easton's Dictionary. Although this book does contain an attempted interpretation of the Book of Revelation, anything God does or speaks is in and of itself revelation in that it is bringing to light something hidden. The Bible is unlike any other book written by man. The Bible, although written by man, is the inspired writing of that man moved by the Spirit of God and so becomes not the word of man but the Word of God. Books written by men convey emotions, ideas, entertainment, concepts and other mental images. God's word brings revelation to the Spirit of man. Jesus said, "It is the Spirit who gives life; the flesh profits nothing; the words that I have spoken to you are spirit and are life" (John 6:33). The words are food for man's spirit just as natural food nourishes the body. Revelation is highly valued in the Kingdom of God. Now when Jesus came into the district of Caesarea Philippi, He was asking His disciples, "Who do people say that the Son of Man is?" And they said, "Some say John the Baptist and others Elijah, but still others Jeremiah or one of the prophets." He said to them, "But who do you say that I am?" Simon Peter answered, "You are the Christ, Messiah, the Son of the living God." And Jesus said to him, "Blessed are you, Simon Barjona, because flesh and blood did not reveal this to you, but My Father who is in heaven" (Matthew 16:13-19). The Lord was overjoyed in that man had not talked Peter into anything regarding the Lord's identity, but Peter had received revelation directly from the Father. This book, along with others I have written, attempts to convey the truth of the Lord through revelation obtained from Him. The following are some odds and ends I have gathered together, helping you will gain a better understanding of Him from His words. Everything said here is confirmed by scriptures from God's word. I hope it opens an even clearer picture.
